Voter Turnout

In Newton, 17,536, or 29% of the City's 60,134 registered voters cast ballots in today's presidential primary. Today's Presidential Primary voter turnout compares to 54% of voters who cast ballots in the 2020 primary (which was combined with a special election to decide a referendum on the Northland development here in Newton), and 50% turnout in the 2016 Presidential Primary.

I am grateful to City Clerk Carol Moore, Election Supervisor John Doyle and the entire election staff for the important work they do with the help of poll workers and volunteers, Newton's IT Department led by Joe Mulvey, the Department of Public Works, and Newton Police Officers, all of whom have a hand in making sure Newton's elections run smoothly.

Warmly,

Ruthanne

Mayor Ruthanne Fuller | 1000 Commonwealth Avenue, Newton, MA 02459
