

Development Review Team (DRT) Meeting Snapshot

Week of March 25, 2024

This week we have DRTs on the following addresses. Call the Planning Department and ask to speak with any land use planner if you would like additional information on any of these projects.

Address	General Description of Project
55 Huntington Rd	Renovation/addition of single-family dwelling that changes the average grade of the site. Proposed addition will further extend nonconforming 3 rd story SR2 Ward 7
3 Valley Spring Rd	Special permit to add a second story to a dwelling with a nonconforming front setback SR2 Ward 7
1150-1152 Walnut St	Special permit for free-standing sign.

Please note this list was compiled before these meetings will take place and that projects may evolve over time. Cancellations do occur and the Planning Department is sometimes able to schedule another project in its place. Not every project has a DRT – DRTs are generally done only where some type of site plan review will likely be required.
