

# Development Review Team (DRT) Meeting Snapshot

Week of November 6, 2023

This week we have DRTs on the following addresses. Call the Planning Department and ask to speak with any land use planner if you would like additional information on any of these projects.

<b>Address</b>	<b>General Description of Project</b>
30 Glendale Rd	Special Permit to exceed FAR SR2, Ward 7
16 Braeland Ave	Pre-existing nonconforming single-family dwelling. They plan to add a single-story two car garage-may need FAR relief and relief to alter and extend nonconforming setback MR1/MRT, Ward 6
62 Lenox St	ADU/pool house in historic carriage house. SP for FAR and dormers

Please note this list was compiled before these meetings will take place and that projects may evolve over time. Cancellations do occur and the Planning Department is sometimes able to schedule another project in its place. Not every project has a DRT – DRTs are generally done only where some type of site plan review will likely be required.
