ADDENDUM #1
REQUEST FOR QUALIFICATIONS #24-63

**PROFESSIONAL DESIGN AND ENGINEERING SERVICES FOR CHRISTINA STREET
BRIDGE AND PATHWAY**

THIS ADDENDUM IS TO: ANSWER THE FOLLOWING QUESTIONS:

Q1. RFQ Page 6 states under Supplemental Materials: “Applicants may supplement this proposal with graphic materials and photographs that best demonstrate design capabilities of the team proposed for this project subject to the page limitations as set forth in the attached Standard Designer Application Form for Municipalities and Public Agencies not within DSB Jurisdiction (Updated July 2016)”. Is it intended that all RFQ content be supplied within DSB section 10 and be limited to three double-sided pages, or should submitters provide a separate response to the RFQ content, and attach the DSB Form to that response?

A1. All applicants must complete and submit the Standard Designer Application Form for Municipalities and Public Agencies not within DSB Jurisdiction (Updated July 2016) attached to the Request For Qualifications. Applicants may provide additional relevant information if they wish.

All other terms and conditions of the IFB remain unchanged.

**PLEASE ENSURE THAT YOU ACKNOWLEDGE ALL ADDENDA ON YOUR
BID FORM. FAILURE TO ACKNOWLEDGE ALL ADDENDA COULD
RESULT IN REJECTION OF YOUR BID AS NONRESPONSIVE.**

Thank you.

Nicholas Read
Chief Procurement Officer
