

Development Review Team (DRT) Meeting Snapshot

Week of April 22, 2024

This week we have DRTs on the following addresses. Call the Planning Department and ask to speak with any land use planner if you would like additional information on any of these projects.

Address	General Description of Project
30 Border St	Special permit for rear setback and nonconforming use MAN/VC3 Ward 3
102 Gordon Rd	Seeking a special permit for a garage greater than 700 square feet. SR2 Ward 5

Please note this list was compiled before these meetings will take place and that projects may evolve over time. Cancellations do occur and the Planning Department is sometimes able to schedule another project in its place. Not every project has a DRT – DRTs are generally done only where some type of site plan review will likely be required.
