

Newton-Weston bridge Replacement & Rehabilitation at I-90/I-95 Virtual Public Meeting

What is happening?

Preliminary work is underway to replace and rehabilitate a series of nine bridges at the I-90/I-95 interchange in Newton and Weston. The purpose of this meeting is to inform the travelling public of anticipated traffic impacts for Stage 1A of construction.

How will this affect you?

There will be five stages of construction. The project is scheduled to be completed in 2027. During the virtual meeting, MassDOT will give a brief project overview, followed by construction activities and anticipated impacts during Stage 1A. Attendees will have the opportunity to ask questions and offer comments.
