

Development Review Team (DRT) Meeting Snapshot

Week of May 20, 2024

This week we have DRTs on the following addresses. Call the Planning Department and ask to speak with any land use planner if you would like additional information on any of these projects.

Address	General Description of Project
15 Algonquin Rd	Special permit for three attached singles. MR1, Ward 7
344-348 Walnut St	Special permit for exposed illumination.
21 Marshfield Rd	Demolish and rebuild aging front portico and steps SR3, Ward 6

Please note this list was compiled before these meetings will take place and that projects may evolve over time. Cancellations do occur and the Planning Department is sometimes able to schedule another project in its place. Not every project has a DRT – DRTs are generally done only where some type of site plan review will likely be required.
