

# Development Review Team (DRT) Meeting Snapshot

Week of July 8, 2024

This week we have DRTs on the following addresses. Call the Planning Department and ask to speak with any land use planner if you would like additional information on any of these projects.

<b>Address</b>	<b>General Description of Project</b>
51 Mt Alvernia Rd	Current use is SFH. Petitioner plans to build a detached accessory apartment above a garage. Garage and accessory unit would be oversized SR2 Ward 3

Please note this list was compiled before these meetings will take place and that projects may evolve over time. Cancellations do occur and the Planning Department is sometimes able to schedule another project in its place. Not every project has a DRT – DRTs are generally done only where some type of site plan review will likely be required.
