

Development Review Team (DRT) Meeting Snapshot

Week of July 15, 2024

This week we have DRTs on the following addresses. Call the Planning Department and ask to speak with any land use planner if you would like additional information on any of these projects.

Address	General Description of Project
31 Chase St	Current use is SFH. Petitioner plans to repave part of the property, possibly further increasing nonconforming lot coverage. MR1/MRT, Ward 6
275 Grove St	Amend special permit to allow signage and improvements to front landscaped portion of the building (amendment to site plan). Shubee please attend. BU4, Ward 4

Please note this list was compiled before these meetings will take place and that projects may evolve over time. Cancellations do occur and the Planning Department is sometimes able to schedule another project in its place. Not every project has a DRT – DRTs are generally done only where some type of site plan review will likely be required.
