

# Development Review Team (DRT) Meeting Snapshot

Week of July 22, 2024

This week we have DRTs on the following addresses. Call the Planning Department and ask to speak with any land use planner if you would like additional information on any of these projects.

<b>Address</b>	<b>General Description of Project</b>
124 Neshobe Rd	SFH adding retaining wall/wall system over four feet. SR2, Ward 5
145-149 California St	Adult daycare use seeking to amend special permit to reconfigure parking and increased parking stall waiver of two stalls. MAN, Ward 1

Please note this list was compiled before these meetings will take place and that projects may evolve over time. Cancellations do occur and the Planning Department is sometimes able to schedule another project in its place. Not every project has a DRT – DRTs are generally done only where some type of site plan review will likely be required.
