That the City Council, finding that the public convenience and welfare will be substantially served by its action, that the use of the site will be in harmony with the conditions, safeguards and limitations set forth in the Zoning Ordinance, and that said action will be without substantial detriment to the public good, and without substantially derogating from the intent or purpose of the Zoning Ordinance, grants approval of the following SPECIAL PERMIT/SITE PLAN APPROVAL to further extend a nonconforming front setback as recommended by the Land Use Committee for the reasons given by the Committee, through its Chair, Councilor Andrea Kelley:

1. The proposed extension of the nonconforming front setback is not substantially more detrimental than the existing nonconforming structure because the work proposed will not create any new habitable space and is limited to the expansion of a front landing. (§7.8.2.C.2)
