

Development Review Team (DRT) Meeting Snapshot

Week of September 16, 2024

This week we have DRTs on the following addresses. Call the Planning Department and ask to speak with any land use planner if you would like additional information on any of these projects.

Address	General Description of Project
790 Centre St	Administrative Site Plan Review of proposed campus and building renovations and alterations for "Newton East" campus SR2, Ward 7
287 Hartman	SP for addition of a front porch encroaching in the front setback SR1, Ward 8

Please note this list was compiled before these meetings will take place and that projects may evolve over time. Cancellations do occur and the Planning Department is sometimes able to schedule another project in its place. Not every project has a DRT – DRTs are generally done only where some type of site plan review will likely be required.
