

# Development Review Team (DRT) Meeting Snapshot

Week of September 23, 2024

This week we have DRTs on the following addresses. Call the Planning Department and ask to speak with any land use planner if you would like additional information on any of these projects.

<b>Address</b>	<b>General Description of Project</b>
Northland 156 Oak St & Tower Rd	Amendment to previously approved special permit to eliminate office use, buildings, reconfigure parking and amend conditions around required Transportation and TDM measures.BU4, Ward 4
100 Bellevue St	SP for FAR to construct a detached garage SR1, Ward 2

Please note this list was compiled before these meetings will take place and that projects may evolve over time. Cancellations do occur and the Planning Department is sometimes able to schedule another project in its place. Not every project has a DRT – DRTs are generally done only where some type of site plan review will likely be required.
