

Development Review Team (DRT) Meeting Snapshot

Week of October 23, 2024

This week we have DRTs on the following addresses. Call the Planning Department and ask to speak with any land use planner if you would like additional information on any of these projects.

Address	General Description of Project
269-287 Grove St	SP Amendment regarding refacing 1 free-standing sign and 1 wall mounted secondary sign BU4, Ward 4
10 Nonantum St	SP for series of retaining walls exceeding 4' in height MR1, Ward 1

Please note this list was compiled before these meetings will take place and that projects may evolve over time. Cancellations do occur and the Planning Department is sometimes able to schedule another project in its place. Not every project has a DRT – DRTs are generally done only where some type of site plan review will likely be required.
