COVID-19 Antigen Test Kits - \$76,100

Testing plays a key role in our efforts to contain and mitigate the COVID-19 pandemic by identifying infected individuals to help prevent further person-to-person transmission of the virus. Therefore, the City has utilized \$76,100 of ARPA funds to secure 7,560 over the counter at-home rapid antigen test kits to be distributed to our financially disadvantaged and/or our vulnerable residents in order to provide another tool to combat the spread of COVID-19.
