Contingency for State-Funded Projects (Farlow, Pellegrini, Chaffin) -
\$638,000

Three city facilities received state FY24 budget funding – Farlow Park pond improvements, Newton Corner former library (Chaffin House), and Pellegrini Park Fieldhouse (Nonantum) exterior work. \$650,000 was allocated to ensure that improvements to these three facilities were completed in conjunction with the state funding. As of October 2024 the Farlow Pond and Chaffin House work is completed and Pellegrini Fieldhouse work is underway.
