**Investing in Neighborhood Parks & Gardens - \$300,000**

Funds have been allocated for our Parks, Recreation and Culture staff (PRC) and residents to explore the possibility of a community garden at Spears Park, a small quarter acre green space, and to supplement neighborhood-funded park projects in village centers and pocket parks, as well as within traffic islands. These funds will be used toward smaller-scale park improvements as well as bike racks, benches, waste receptacles, and signage.
