Newton Centre Outdoor Pavilion Architecture & Engineering
Feasibility Study - \$50,000

Mayor Fuller has authorized the use of \$50,000 in American Rescue Plan Act (ARPA) funding to conduct a feasibility study for an outdoor pavilion in the Newton Centre bowl. An outdoor performance venue in Newton Centre could be a wonderful new community resource and gathering spot, while also creating economic benefits. The ideas of our artists, performers, non-profits, businesses, residents, and City Councilors will shape our decisions during the feasibility study.
