Gath Pools & Splash Pad Project Completion - \$150,000

This \$9.3 million project, completed in summer 2024, was funded largely with CPC funds, along with \$1 million in ARPA funds and a \$400,000 state earmark. Public Buildings and PRC identified a number of improvements that were not part of the original plan but deemed to be high-value, low cost improvements that would make for a measurably better guest experience.
