Newton Hires - \$28,600

The Newton Hires program offered cash incentives of up to \$1,000 to unemployed or underemployed individuals who registered with MassHire, secured employment of up to 20 hours per week or more with a qualifying Newton employer, and remained employed with the business/non-profit for at least four weeks for an initial \$500 cash award and an additional \$500 cash award for individuals who stayed as employees with the same employer for at least an additional four weeks. While the City had set aside \$200,000 for this program, ultimately only \$28,600 was utilized.
