Re: Wellington Park Sensory Dome Donor Recognition sign

Dear Parks and Recreation Commission,

The Parks, Recreation and Culture Department (PRC) is pleased to support the initiative proposed by the Friends of Wellington Park. Please see below PRC Staff Notes.

Staff Notes on Sensory Dome recognition sign at Wellington Park:

- The proposal is consistent in nature with other partnership recognition signs across other parks and facilities.
- The proposed sign would be procured and funded through the leftover funds from the sensory dome project.
- The PRC maintenance division will provide in-ground mounting installation
- Very little maintenance is required in and around the sign. Simple string trimming is sufficient.
- Parks and Open Space, along with the Public Grounds and Maintenance divisions are supportive of this project and initiative.

Best regards,
Luis Perez Demorizi
