

Development Review Team (DRT) Meeting Snapshot

Week of November 18, 2024

This week we have DRTs on the following addresses. Call the Planning Department and ask to speak with any land use planner if you would like additional information on any of these projects.

Address	General Description of Project
9 Carter Street	Special permit to allow two parking stalls in the front setback. MR1 Ward 2
740 Beacon Street	The property located at 740 Beacon Street is within a Business 2 zoning district and has a sign plan authorized by a special permit via Board Order #125-21, dated December 20, 2021 (attachment A and B). The applicant is proposing to install the following sign: <ul style="list-style-type: none"> • One free-standing principal sign, non-illuminated, with 24 sq. ft. of sign area perpendicular to Union Street

Please note this list was compiled before these meetings will take place and that projects may evolve over time. Cancellations do occur and the Planning Department is sometimes able to schedule another project in its place. Not every project has a DRT – DRTs are generally done only where some type of site plan review will likely be required.
