The Public Hearing, continued on 11/27/12, will be continued on the following item:

#272-12 BH NORMANDY OWNER, LLC petition for a SPECIAL PERMIT/SITE PLAN APPROVAL for several improvements to be completed over two phases. The first phase requires a special permit to (1) amend the current site plan by adding a pool deck awning; reconfiguring the delivery and trash pick-up area at the front of the hotel; reconfiguring the existing parking areas; reflecting existing and proposed signage; and reflecting existing wireless communications equipment; (2) extend a nonconforming structure by adding a pool deck awning; (3) obtain waivers for number of parking stalls and parking facility design standards including stall width, stall depth, handicap stall depth, maneuvering space for end stalls, maneuvering space for aisles, maximum width for entrance and exit driveways, landscape screening, interior landscaping, surfacing and curbing, one foot candle lighting, number of bicycle parking spaces, and design of loading facilities; and (4) authorize existing and proposed signage at 399 GROVE STREET, Ward 4..
