

Programs & Services Committee Agenda

City of Newton In City Council

Wednesday, February 5, 2020

7:00 PM
Room 211

Items Scheduled for Discussion:

Chair's Note: *There will be a brief update on item #64-20 requesting that the Mayor submit a new Crescent Street Proposal.*

#51-20 Request for a discussion on a new staff directory

COUNCILOR ALBRIGHT requesting a discussion with the Chief Information Officer and members of the administration to discuss the creation of an online or phone-based staff directory, so that citizens can be directly connected to city staff. As examples in advance of this discussion, please refer to Somerville, Watertown, Lexington, and Brookline, which all have online or phone-based directories. This would take the pressure off the 796-1000 line so that fewer people will be on hold waiting for a free operator and in fact may free up staff who handle phone calls for other work.

#101-20 Requesting a discussion on the 2020 Census

COUNCILORS ALBRIGHT, RYAN, GREENBERG, NOEL, KRINTZMAN, HUMPHREY, AND MALAKIE requesting a discussion with the Complete Count Committee Newton's plans to assure that all Newton residents are counted in the next census. Newton receives a modest allocation of CDBG funds. To assure that Newton can continue to receive these funds to serve underserved people an accurate census is essential.

The location of this meeting is accessible and reasonable accommodations will be provided to persons with disabilities who require assistance. If you need a reasonable accommodation, please contact the City of Newton's ADA Coordinator, Jini Fairley, at least two business days in advance of the meeting: jfairley@newtonma.gov or (617) 796-1253. The city's TTY/TDD direct line is: 617-796-1089. For the Telecommunications Relay Service (TRS), please dial 711.

#103-20 Request to move the Ward 2 Precinct 1 polling location

CITY CLERK requesting that the polling location for Ward 2, Precinct 1, which is currently at the old Horace Mann School on the corner of Watertown Street and Albemarle Road, be moved down the street to the Albemarle Field House at 250 Albemarle Road. Construction and the conversion of the Old Horace Mann School to the Newton Early Childhood Program will preclude the space from being used as a Polling Location.

Respectfully Submitted,

Josh Krintzman, Chair
