Interests & Experiences

Please tell us about yourself and why you want to serve.

Why are you interested in serving on a board or commission?

I have recently retired as a senior executive in the investment management business providing portfolio management services to institutional clients such as pension plans and endowments. I would like to serve the community where I have lived for the past 45 years and improve the facilities offered to its inhabitants. Further, I would enjoy the opportunity to work with other members of the community with similar objectives. In addition to over 40 years of experience in managing investments, I have many years of experience managing personnel, client and vendor relationships. I believe these capabilities would be useful to Newton.
