Subject: Parks and Recreation Commission Term Expiration

Hi Reenie,

A letter from HR arrived this afternoon regarding the expiration of my current term on the Parks and Recreation Commission. It is a post I enjoy and would like to continue as a member, so I am writing, as instructed, to you as the Coordinator of Boards and Commissions, to formally express my interest to continue on the Commission.

As you well know, I own and run the Andrew J. Magni & Son Funeral Home with my Father, Andy, and have done so for the last 14 years. Before the funeral profession, I worked in the publishing and journalism fields for several years, starting right out of college (Wesleyan University, CT, class of 93). In the 7 years between college and starting with my Dad, I worked in various capacities: as a beat reporter for various newspapers, a submission editor at Reader's Digest and later as an editor for a news-related website. Toward the end of this stretch of jobs, I pursued my funeral degree at night while continuing at my regular job during the day.

My work on the Parks and Recreation Commission continues to surprise me in how issues related to parks and land and athletics can be so complex and sometimes controversial, such as dog parks and swim at your own risk and lighting and concessions at playing fields. The position has also educated me about how many layers of government are involved in seemingly small issues, but how crucial each layer is in protecting the interests of the City and the citizens of the community.

I would be grateful for another term on the Commission.

Please let me know if you need any other information, Reenie.

Regards,
Arthur M.
107 Mount Vernon St
Newton, 02465

P.S. The letter from HR was dated Feb. 13, 2014. But the envelope was postmarked March 11, and only arrived today, March 12.

Please tell us about yourself and why you want to serve.

Why are you interested in serving on a board or commission?

I am a competitive athlete and use the athletic fields and facilities managed by the City. Beyond personal reasons, it's in the public good for all Newton citizens to have well-maintained natural areas for general aesthetics and for encouraging passive recreation. And active recreation is equally important for general well-being. So the camp and swimming and tennis programs and all the other athletic activities and teams organized by the City are vital to Newtonians.

Dear Mayor Warren,

I would love to be considered to continue on as the Ward 5 representative on the Recreation Commission. I have lived in Newton all my life and been involved in all aspects of recreation in the city. As my 2 kids grew up and went through the school system, I coached just about every sport that they were involved in. I have continued to coach in our Newton Babe Ruth baseball league. I am also very involved in the running of the Newton Southeast Little League, both as its treasurer and being responsible for all of our fields. I have worked closely for years with our wonderful Parks and Recreation Department in maintaining all of our playing fields, both with their help as well as doing as much as I physically can myself. I think the Newton Police are very familiar with seeing me working on our playgrounds late at night.

I have also been very involved with the great Highlands Playground project which is finally nearing completion. The Parks and Recreation Department has been great in pushing that project along. I also really want to also thank you for your support on it. It is going to be an impressive playground for everyone to enjoy.

I work for New England Petroleum, 6 Kimball Lane in Lynnfield, MA 01940. We are a petroleum marketing and trading company that wholesales motor fuels in the northeast. I handle all the marketing along with supply. We bring in cargos of gasoline and diesel into the northeast and wholesale it. New England Petroleum is a privately held company owned by the Kaneb family. In addition to my company, they also own HP Hood and a chain of gas stations and are also, minority owners of the Red Sox.

I have really enjoyed the past few years being on the commission and being able to have input on the various issues that come before us. More importantly, however, I have really enjoyed working directly with Bob Derubeis and the Parks and Recreation Department in maintaining all of our playing fields and the running our youth leagues. I hope to continue on with both.

Warm regards,
Byron "Buzz" Dunker
