RECEIVED

David A. Olson, CMC  
Newton, MA 02459

Ladies and Gentlemen:

I write to request that your Honorable Board docket for consideration a request to revise Newton City Ordinance Sec. 11-15 - White Goods by striking the fee of "twelve (\$12)" and replacing it with "eighteen (\$18)" wherever the fee is mentioned.

As stated in the Commissioner's request, the City initiated a fee based curbside collection of white goods in October 2011. That 3 year contract expired in June 2014. Under the newly negotiated contract the fee has increased to \$18 and therefore, the ordinance must be changed accordingly.

Thank you for your consideration of this matter.

Very truly yours,

Setti D. Warren  
Mayor

DEPARTMENT OF PUBLIC WORKS  
OFFICE OF THE COMMISSIONER  
1000 Commonwealth Avenue  
Newton Centre, MA 02459-1449

Setti D. Warren  
Mayor

December 1, 2014

To: Honorable Mayor Setti D. Warren  
Via: Maureen Lemieux, Chief of Staff  
From: David F. Turocy, Commissioner of Public Works  
Subject: Request to Raise White Goods Collection Fees

The Department Public Works initiated a fee based curbside collection of white goods in October 2011. At that time, we contracted with CRTR, who was the only vendor capable of meeting our requirements. That three year contract expired in June 2014 and we began a new contract with CRTR in July 2014. With this contract, the cost per collection/stop increased from \$12 to \$18.

Accordingly, we need to revise the City Ordinances to reflect the new \$18 cost for collection as follows:

**Sec. 11-15. White goods.**

White goods may be removed and disposed of by the department of public works upon application to the commissioner of public works by the owner or occupant of a building or premises who shall pay a fee of **eighteen dollars (\$18.00)** per stop, which will include one cathode ray tube item (TV or computer monitor). Each additional cathode ray tube item (TV and/or computer monitor) shall be charged an additional **\$18.00** fee. All other white good items, as defined in Section 11-1 shall be included in each stop for no additional charge. All white goods offered for removal by application shall be of such form and so prepared and placed as the commissioner of public works may specify or accept, otherwise they shall not be removed by the city. (Ord. No. Z-87, 05-16-11)

Please docket this matter with the City Clerk for Board of Aldermen consideration.

Respectfully,

David F. Turocy  
DPW Commissioner

without charge. All the materials put out for removal shall be of such form and so prepared and placed as the commissioner of public works may specify or accept, otherwise they shall not be removed by the city.

(b) The commissioner of public works in his sole discretion may remove and dispose of more than five (5) bulky waste items per household per week in accordance with the provisions relating to cleanouts and moveouts. **Sec. 11-15. White goods.**

White goods may be removed and disposed of by the department of public works upon application to the commissioner of public works by the owner or occupant of a building or premises who shall pay a fee of twelve dollars (\$12.00) per stop, which will include one cathode ray tube item (TV or computer monitor). Each additional cathode ray tube item (TV and/or computer monitor) shall be charged an additional \$12.00 fee. All other white good items, as defined in Section 11-1 shall be included in each stop for no additional charge. All white goods offered for removal by application shall be of such form and so prepared and placed as the commissioner of public works may specify or accept, otherwise they shall not be removed by the city. (Ord. No. Z-87, 05-16-11)

**Sec. 11-16. Annual appropriation for publicizing recycling program.**

The recycling program shall receive an annual appropriation to be used to advertise the program on a regular basis and to inform citizens of their collection days. (Rev. Ords. 1973, § 8-50; Ord. No. 11, 8- 15-74; Ord. No. S-1, 7-11-83; Ord. No. Z-68, 06-21-10; Ord. No. Z-87, 05-16-11)

(Rev. Ords. 1973, § 8-56; Ord. No. 90, 10-6-75; Ord. No. T-92, 6-18-90)
