Honorable Board of Aldermen
Newton City Hall

Newton, MA 02459

Ladies and Gentlemen:

I write to request that your Honorable Board docket for consideration a request to appropriate the sum of \$500,000 from Free Cash to the Department of Public Works – Snow and Ice Removal Account.

As you know, more than 68 inches of snow has fallen in the City of Newton thus far this winter. The City has spent \$3,617,074 on snow and ice control as of today, February 14th. However, recent weather trends appear to have changed. The jet stream, as well as the greenland block, appear to have shifted and therefore, at least in the short term, we may begin to experience more normal weather patterns.

We will continue to monitor weather reports and keep Your Honorable Board informed through the Finance Committee.

Thank you for your consideration of this matter.

Very truly yours,

Setti D. Warren
Mayor
