Chairman's Note: This special meeting is being held on a night when all Aldermen can attend. In addition, press reports indicate the Mayor plans to unveil a supplemental version of his financing plan at a public forum on January 9, which Mr. Olson informs me will be preceded by something in writing to the Board. I have invited Chief Administrative Officer Pooler to attend the beginning of our discussion on the 10th to respond informally to any questions members of the Board may have. This conversation does not preclude a more elaborate presentation or discussion if and when a formal request for bond financing for the new high school is submitted to the Board by the Mayor. Please let me know if you have any questions.

Thank you.
