APPOINTMENT BY THE PRESIDENT OF THE BOARD

24-01 DON FISHMAN, 68 Littlefield Road, Newton Centre, appointed as the community representative pursuant to Sec. 5-56(i) on January 10, 2001 as a member of the DESIGN REVIEW COMMITTEE for the duration of the Newton South High School renovations.

ACTION: **HELD 6-0**

NOTE: The Committee held the item as Mr. Fishman, the appointee, was not present for the discussion.

REFERRED TO PUBLIC FACILITIES AND FINANCE COMMITTEES

#172-01 HIS HONOR THE MAYOR requesting that an appropriation in the amount of \$96,926 from the Parking Meter Special Revenue Fund for the purpose of fully funding the street light maintenance account for FY01.

ACTION: **APPROVED 5-0 (M. LIPOF NOT VOTING)**

NOTE: Bob Rooney and Brian Connolly were present for the discussion of this item. This is a request for additional funds for the street light maintenance account. The funds are necessary because the long-term costs of street light maintenance were unknown at the beginning of FY01, therefore they were not budgeted. The City has entered into a permanent maintenance agreement with the Town of Wellesley.

The source of the funds will be from the Parking Meter Special Revenue Fund. This fund has generally been the source for funding supplemental costs of street lights. Ald. Salvucci moved approval of the item, which was approved unanimously.

Respectfully submitted,

Sydra Schnipper, Chair
