Important Information for Vehicle Owners

- Every person operating a motor vehicle shall have the Certificate of Registration for the motor vehicle and for the trailer, if any, and his/her license to operate, upon his/her person or in the vehicle, in some easily accessible place.
- By law, you must report any change of address to the RMV within 30 days in writing. Address changes can be made on the RMV website: www.massrmv.com or by mail to: RMV, P.O. Box 55889, Boston, MA 02205-5889. Once you have reported the address change to the RMV, please write corrected address in box provided above.
- Return the registration plates to the RMV immediately if:
 - The vehicle has been sold or junked and the registration is not going to be transferred to another vehicle. Keep a copy of the *Bill of Sale, Title, and completed Reassignment of Title* for your records to document the transfer.
 - You move to another state and you register the vehicle in that state.
 - The insurance policy is not renewed or is cancelled and there is no plan to obtain a new policy.

Transferring Your Plates: Massachusetts law (M.G.L. Chapter 90, Section 2) allows you to transfer **valid registration plates from this vehicle to a newly acquired new or used motor vehicle or trailer** while you obtain insurance and a new registration. **All** of the following must be met: **1.** You are at least 18 years of age and you own the motor vehicle or trailer identified on this *Registration Certificate*; **2.** You transfer ownership of this vehicle to another person or permanently lose possession of it (such as through repossession, etc.); **3.** The newly acquired vehicle is of the **same vehicle type** (passenger vehicle to passenger vehicle, trailer to trailer, etc.); the **same registration type** (passenger to passenger, commercial to commercial); and has the **same number of wheels**; and, **4.** The **seller and buyer** properly complete the Assignment of the Certificate of Title (for the newly acquired "used" vehicle) or Certificate of Origin (if a "new" vehicle). If **all** of the above are met, you may operate the newly acquired vehicle with the transferred plates **up to 5:00 pm of the 7th calendar day** following the date of transfer (or loss of possession). The day of transfer or loss is day #1. During those 7 days, you **must** carry the *Bill of Sale* (or the dealer's *Purchase Contract*) for the newly acquired vehicle **and** this *Registration Certificate* when operating the vehicle. See *FAQs About the Seven-Day Registration Transfer Law* on the RMV's website at www.massrmv.com.

No Insurance Card Required: Massachusetts's law does **not** require an insurance card. The law, M.G.L. Chapter 90, Section 34A and Chapter 175, Section 113A requires the vehicle's owner to maintain a compulsory motor vehicle liability insurance policy or bond for bodily injury coverage and property damage insurance. If an insurer is identified on the face of this *Registration Certificate*, it is required by law to electronically notify the RMV (Registry of Motor Vehicles) if coverage lapses. The vehicle owner is then notified by the RMV to obtain new insurance within 10 days or the registration will be revoked. Bonds are filed with the State Treasurer's office.

Important Information for Vehicle Owners

- Every person operating a motor vehicle shall have the Certificate of Registration for the motor vehicle and for the trailer, if any, and his/her license to operate, upon his/her person or in the vehicle, in some easily accessible place.
- By law, you must report any change of address to the RMV within 30 days in writing. Address changes can be made on the RMV website: www.mass.gov/rmv or by mail to: RMV, P.O. Box 55889, Boston, MA 02205-5889. Once you have reported the address change to the RMV, please write corrected address in box provided above.
- Return the registration plates to the RMV immediately if:
 - The vehicle has been sold or junked and the registration is not going to be transferred to another vehicle. Keep a copy of the *Bill of Sale, Title*, and completed *Reassignment of Title* for your records to document the transfer.
 - You move to another state and you register the vehicle in that state.
 - The insurance policy is not renewed or is cancelled and there is no plan to obtain a new policy.

Transferring Your Plates: Massachusetts law (G.L. Chapter 90, Section 2) allows you to transfer valid registration plates from this vehicle to a newly acquired new or used motor vehicle or trailer while you obtain insurance and a new registration. **All** of the following must be met: 1. You are at least 18 years of age and you own the motor vehicle or trailer identified on this *Registration Certificate*. 2. You transfer ownership of this vehicle to another person or permanently lose possession of it (such as through repossession, etc.) 3. The newly acquired vehicle is of the same vehicle type (passenger vehicle to passenger vehicle, trailer to trailer, etc.); the same registration type (passenger to passenger, commercial to commercial); and has the same number of wheels; and, 4. The seller and buyer properly complete the Assignment of the Certificate of Title (for the newly acquired "used" vehicle) or Certificate of Origin (if a "new" vehicle). If all of the above are met, you may operate the newly acquired vehicle with the transferred plates up to 5:00 pm of the 7th calendar day following the date of transfer (or loss of possession). The day of transfer or loss is day #1. During those 7 days, you must carry the *Bill of Sale* (or the dealer's *Purchase Contract*) for the newly acquired vehicle and this *Registration Certificate* when operating the vehicle. See *FAQs About the Seven-Day Registration Transfer Law* on the RMV's website at www.mass.gov/rmv.

No Insurance Card Required: Massachusetts's law does not require an insurance card. The law, M.G.L. Chapter 90, Section 34A and Chapter 175, Section 113A requires the vehicle's owner to maintain a compulsory motor vehicle liability insurance policy or bond for bodily injury coverage and property damage insurance. If an insurer is identified on the face of this *Registration Certificate*, it is required by law to electronically notify the RMV (Registry of Motor Vehicles) if coverage lapses. The vehicle owner is then notified by the RMV to obtain new insurance within 10 days or the registration will be revoked. Bonds are filed with the State Treasurer's Office.

Important Information for Vehicle Owners

- Every person operating a motor vehicle shall have the Certificate of Registration for the motor vehicle and for the trailer, if any, and his/her license to operate, upon his/her person or in the vehicle, in some easily accessible place.
- By law, you must report any change of address to the RMV within 30 days in writing. Address changes can be made on the RMV website: www.mass.gov/rmv or by mail to: RMV, P.O. Box 55889, Boston, MA 02205-5889. Once you have reported the address change to the RMV, please write corrected address in box provided above.
- Return the registration plates to the RMV immediately if:
 - The vehicle has been sold or junked and the registration is not going to be transferred to another vehicle. Keep a copy of the **Bill of Sale, Title, and completed Reassignment of Title** for your records to document the transfer.
 - You move to another state and you register the vehicle in that state.
 - The insurance policy is not renewed or is cancelled and there is no plan to obtain a new policy.

Transferring Your Plates: Massachusetts law (G.L. Chapter 90, Section 2) allows you to transfer valid registration plates from this vehicle to a newly acquired new or used motor vehicle or trailer while you obtain insurance and a new registration. All of the following must be met: 1. You are at least 18 years of age and you own the motor vehicle or trailer identified on this *Registration Certificate*. 2. You transfer ownership of this vehicle to another person or permanently lose possession of it (such as through repossession, etc.). 3. The newly acquired vehicle is of the same vehicle type (passenger vehicle to passenger vehicle, trailer to trailer, etc.); the same registration type (passenger to passenger, commercial to commercial); and has the same number of wheels; and, 4. The seller and buyer properly complete the Assignment of the Certificate of Title (for the newly acquired "used" vehicle) or Certificate of Origin (if a "new" vehicle). If all of the above are met, you may operate the newly acquired vehicle with the transferred plates up to 5:00 pm of the 7th calendar day following the date of transfer (or loss of possession). The day of transfer or loss is day #1. During those 7 days, you must carry the *Bill of Sale* (or the dealer's *Purchase Contract*) for the newly acquired vehicle and this *Registration Certificate* when operating the vehicle. See **FAQs About the Seven-Day Registration Transfer Law** on the RMV's website at www.mass.gov/rmv.

No Insurance Card Required: Massachusetts's law does not require an insurance card. The law, M.G.L. Chapter 90, Section 34A and Chapter 175, Section 113A requires the vehicle's owner to maintain a compulsory motor vehicle liability insurance policy or bond for bodily injury coverage and property damage insurance. If an insurer is identified on the face of this *Registration Certificate*, it is required by law to electronically notify the RMV (Registry of Motor Vehicles) if coverage lapses. The vehicle owner is then notified by the RMV to obtain new insurance within 10 days or the registration will be revoked. Bonds are filed with the State Treasurer's Office.

|---|---|

Transferring Your Plates: Massachusetts law (G.L. Chapter 90, Section 2) allows you to transfer valid registration plates from this vehicle to a newly acquired new or used motor vehicle or trailer while you obtain insurance and a new registration. **All** of the following must be met: 1. You are at least 18 years of age and you own the motor vehicle or trailer identified on this *Registration Certificate*. 2. You transfer ownership of this vehicle to another person or permanently lose possession of it (such as through repossession, etc.); 3. The newly acquired vehicle is of the same vehicle type (passenger vehicle to passenger vehicle, trailer to trailer, etc.); the same registration type (passenger to passenger, commercial to commercial); and has the same number of wheels; and, 4. The **seller and buyer** properly complete the Assignment of the Certificate of Title (for the newly acquired "used" vehicle) or Certificate of Origin (if a "new" vehicle). If **all** of the above are met, you may operate the newly acquired vehicle with the transferred plates **up to 5:00 pm of the 7th calendar day** following the date of transfer (or loss of possession). The day of transfer or loss is day #1. During those 7 days, you **must** carry the *Bill of Sale* (or the dealer's *Purchase Contract*) for the newly acquired vehicle and this *Registration Certificate* when operating the vehicle. See **FAQs About the Seven-Day Registration Transfer Law** on the RMV's website at www.mass.gov/rmv.

No Insurance Card Required: Massachusetts's law does not require an insurance card. The law, M.G.L. Chapter 90, Section 34A and Chapter 175, Section 113A requires the vehicle's owner to maintain a compulsory motor vehicle liability insurance policy or bond for bodily injury coverage and property damage insurance. If an insurer is identified on the face of this *Registration Certificate*, it is required by law to electronically notify the RMV (Registry of Motor Vehicles) if coverage lapses. The vehicle owner is then notified by the RMV to obtain new insurance within 10 days or the registration will be revoked. Bonds are filed with the State Treasurer's Office.

All of the following must be met: 1. You are at least 18 years of age and you own the motor vehicle or trailer identified on this *Registration Certificate*. 2. You transfer ownership of this vehicle to another person or permanently lose possession of it (such as through repossession, etc.) 3. The newly acquired vehicle is of the same vehicle type (passenger vehicle to passenger vehicle, trailer to trailer, etc.); the same registration type (passenger to passenger, commercial to commercial); and has the same number of wheels; and, 4. The seller and buyer properly complete the Assignment of the Certificate of Title (for the newly acquired "used" vehicle) or Certificate of Origin (if a "new" vehicle). If all of the above are met, you may operate the newly acquired vehicle with the transferred plates up to 5:00 pm of the 7th calendar day following the date of transfer (or loss of possession). The day of transfer or loss is day #1. During those 7 days, you must carry the *Bill of Sale* (or the dealer's *Purchase Contract*) for the newly acquired vehicle and this *Registration Certificate* when operating the vehicle. See **FAQs About the Seven-Day Registration Transfer Law** on the RMV's website at www.mass.gov/rmv.

No Insurance Card Required: Massachusetts's law does not require an insurance card. The law, M.G.L. Chapter 90, Section 34A and Chapter 175, Section 113A requires the vehicle's owner to maintain a compulsory motor vehicle liability insurance policy or bond for bodily injury coverage and property damage insurance. If an insurer is identified on the face of this *Registration Certificate*, it is required by law to electronically notify the RMV (Registry of Motor Vehicles) if coverage lapses. The vehicle owner is then notified by the RMV to obtain new insurance within 10 days or the registration will be revoked. Bonds are filed with the State Treasurer's Office.

All of the following must be met: 1. You are at least 18 years of age and you own the motor vehicle or trailer identified on this <i>Registration Certificate</i>; 2. You transfer ownership of this vehicle to another person or permanently lose possession of it (such as through repossession, etc.); 3. The newly acquired vehicle is of the same vehicle type (passenger vehicle to passenger vehicle, trailer to trailer, etc.); the same registration type (passenger to passenger, commercial to commercial); and has the same number of wheels; and, 4. The seller and buyer properly complete the Assignment of the Certificate of Title (for the newly acquired "used" vehicle) or Certificate of Origin (if a "new" vehicle). If all of the above are met, you may operate the newly acquired vehicle with the transferred plates up to 5:00 pm of the 7th calendar day following the date of transfer (or loss of possession). The day of transfer or loss is day #1. During those 7 days, you must carry the <i>Bill of Sale</i> (or the dealer's <i>Purchase Contract</i>) for the newly acquired vehicle and this <i>Registration Certificate</i> when operating the vehicle. See <i>FAQs About the Seven-Day Registration Transfer Law</i> on the RMV's website at www.massrmv.com.</p>	

No Insurance Card Required: Massachusetts's law does **not** require an Insurance card. The law, M.G.L. Chapter 90, Section 34A and Chapter 175, Section 113A requires the vehicle's owner to maintain a compulsory motor vehicle liability insurance policy or bond for bodily injury coverage and property damage insurance. If an insurer is identified on the face of this *Registration Certificate*, it is required by law to electronically notify the RMV (Registry of Motor Vehicles) if coverage lapses. The vehicle owner is then notified by the RMV to obtain new insurance within 10 days or the registration will be revoked. Bonds are filed with the State Treasurer's office.

Director shall maintain a file of all such requests in order to verify the total changes to the service at the end of each license term. And other changes to the regular services shall require the approval of the City Council.

2. **Baseline:** For the purposes of this provision, Baseline shall be defined as the total number of vehicle round trips per week, Monday through Friday, from 7:00 a.m. to 10:00 p.m. The Baseline shall not include round trips added after the commencement of the License term which commenced *July 1, 2006*. Special events requiring the use of more than 2 vehicles over such route or more than three (3) trips per hour, or the use of more than one route subject to the provisions of this License, or the use of new route shall require the approval of the Director. 2. **Monthly Approval of Special Events(s) Permit:** On or before the 15th of the preceding month, but in any event no less than three weeks prior to any such event, Boston College, on behalf of Licensee, shall provide the Director with a list of temporary or one-time event(s) to be held during the next month which will require the use of more than two (2) vehicles, or more than three (3) round trips per hour or more than one route licensed herein or a route not currently licensed pursuant to this license. Such list shall include the number and type of vehicle(s), frequency of service, bus stop locations and route(s) to be used. Such list shall constitute a request for a monthly event permit, which shall be deemed approved unless denied in writing within 15 days of receipt of said list. Such monthly event permit shall constitute a one-time approval for each event as stated in the permit.

3. **Director Approval:** In a situation in which the Licensee cannot obtain approval through the monthly approval process as provided in paragraph 2 of this section, the Licensee, or Boston College on behalf of Licensee, may apply to the Director for approval of transportation to and from a special event. The Director shall be authorized to approve

transportation to and from a special event upon no less than one week's prior written notice from Boston College on behalf of Licensee, provided, however, that the Director may authorize transportation for no more than two such special events each semester. For the purposes of this provision, a request for approval of transportation to and from a post season hockey or basketball tournament shall not be included in said two request limit. The request for approval of transportation shall contain the number and type of vehicle(s), frequency of service, bus stop locations and route(s) to be used. No later than one week following receipt of such request, the Director shall notify the applicant and the Chief of Police in writing of such approval along with any conditions that may apply including the valid dates of the approval.

C. Transportation for Athletic or Entertainment Events: Transportation for athletic or entertainment events held at Boston College facilities for which tickets are sold may be provided for ticket holders, students, faculty and staff, provided that on or about June 30 of each year of this license, Boston College, on behalf of the Licensee, shall provide the City Council with a schedule of such events, and shall also provide for each such event, in a format to be determined by the Council, the proposed routes, proposed number and type of vehicles, proposed frequency of service, and the proposed time and duration of operation, each of which must then be approved by the Council as a special addendum to this license, which addendum shall specify the terms of such events license. Once adopted, modifications to the terms of such addendum must be made in accordance with the applicable provisions of section 5.B of this License.

The approved transportation schedule for **Fall 2018 Varsity Football Games** and currently scheduled special events are stated in *Appendix A*, attached hereto and incorporated herein in fulfillment of the above condition for the period ending **June 30, 2018** with the College using school buses with a preference for non-diesel vehicles.

6. A copy of this license shall be issued to the driver of each vehicle and presented upon request to any City of Newton police officer and such other enforcement officials as may be designated by the City Council, provided that the Licensee shall be notified in writing prior to the designation of such other enforcement officials.

7. TERM: This license renewal is valid beginning **June 18, 2018** and shall expire on **June 17, 2019**. Subsequent one-year license renewals shall be granted in the discretion of the City Council pending satisfactory completion of the provisions of section 8 below.

8. Periodic Review:

(1) No later than **November 15, 2018** and **March 15, 2019** of the License Term, the Licensee shall meet with the City Council to review any concerns related to the service and shall make such adjustments as deemed necessary by the City Council. The review shall include the following items:

(a) Nothing in this license shall prevent the College from altering allowed service on Newton Streets around the Chestnut Hill Campus in favor of use of internal roads within the

Chestnut Hill Campus during the License term, provided that any proposed left turns across traffic shall first be noticed to the Chief of Police.

(2) Consolidation of Routes: The Licensee shall cooperate with the appropriate committee(s) of the City Council in determining the appropriateness of consolidating routes and schedules in an effort to reduce and to eliminate excessive service. Consolidation of routes and reduced schedules shall be based on the level of ridership and such other factors as deemed relevant by the appropriate committee(s) of the City Council and College. If routes are to be consolidated or if the College and the appropriate committee of the City Council determine that there is a reasonable basis to request schedule reductions, Boston College, on behalf of the Licensee shall provide ridership data in the manner set forth in paragraph 8 (2) of this license.

(3) The Licensee shall equip vehicles with two-way radios and shall maintain contact between a dispatcher and all vehicles while in operation on the routes described herein.

9. Violation of any of the above specific or general conditions shall be cause for revocation of this license in accordance with procedures to be established by the City Council.

10. Boston Coach Corporation, Boston College and the officials, trustees, agents, servants and employees of each shall hold harmless and defend the City of Newton from and against all claims, damages, demands and actions of every kind arising out of the exercise of this License.

11. The provisions of this license are severable. If any of the provisions of this license are held invalid by a court of competent jurisdiction, the remaining provisions of this license shall not be affected by such invalidity and shall remain in full force and effect, provided that upon such a finding or invalidity the City shall have the right to initiate proceedings to revise the remaining provisions of the license in a manner not inconsistent with any such fining of invalidity.

12. The Chief of Police shall be charged with the enforcement of the provisions of this license.

In addition, this license shall remain in effect solely for the period that the Licensee continues to operate under contract with Boston College, and shall automatically terminate upon expiration or termination of contract.

4. All diesel powered vehicles operated by Licensee pursuant to this license shall meet the inspection standards of the Registry of Motor Vehicles.

5. Adjustments to Service during the License Term:

Council Approval: This license is valid for the purpose of inter-campus transportation for Boston College students, employees, and faculty over the routes designated herein. Other than adjustments to regular service as provided in paragraph A, and transportation for special events and athletic or entertainment events as hereinafter provided in paragraph B and C, respectively, of this provision, the Licensee shall not operate vehicles over these routes for any other purpose without first obtaining permission from the City Council. Except as otherwise provided below, all changes to the regular service shall require the approval of the City Council, including but not limited to, an increase in the number of vehicles to be used or an increase in the number of round trips per hour of vehicles over and above the numbers previously set forth in this license; a change in an approved route other than a temporary change approved as part of transportation to and from a special event as hereinafter provided in paragraph B; and the use of a new route, other than the temporary use of a new route pursuant to a special event as hereinafter provided in paragraph B.

A. Regular Service:

1. Subsequent to the annual approval of the license, the Licensee shall be authorized to make adjustments to the regular bus service, Monday through Friday, from 7:00 p.m. to 10:00 p.m., provided that any increases in the number of bus round trips shall not exceed the "baseline" as specified in paragraph 2 of this provision and provided that the maximum number of bus round trips per hour shall not exceed 15 round trips per hour. The Licensee shall notify the Director of Planning and Development (hereinafter the "Director") and the Chief of Police (hereinafter the "Chief") within five (5) business days of any adjustment in the number of bus round trips per hour and per week, Monday through Friday, from 7:00 to 10:00 p.m. The Director shall maintain a file of all such requests in order to verify the total changes to the service at the end of each license term. And other changes to the regular services shall require the approval of the City Council.

2. Baseline: For the purposes of this provision, Baseline shall be defined as the total number of vehicle round trips per week, Monday through Friday, from 7:00 a.m. to 10:00 p.m. The Baseline shall not include round trips added after the commencement of the License term which commences *July 1, 2006*. The Baseline number of round trips per week shall be determined annually by the City Council to be effective as of the date of the commencement of the license term. The Baseline for the **2018-2019** License Term shall be as follows:

Boston Route: a maximum of 601 round trips per week Monday through Friday, from 7:00 a.m. to 10:00 p.m.

B. Special Events Scheduled After Commencement of License Term:

1. **Notice Required:** The requirement for advance Council approval shall not apply to transportation to or from a special event, not including athletic or entertainment events as hereinafter provided in paragraph C, which event is not scheduled as of the beginning of the license term and which requires the use of not more than two (2) vehicles over a particular route subject to the provisions of this license and which requires no more than three (3) trips per hour on such route. Special events requiring the use of more than two (2) vehicles over such route or more than three (3) trips per hour, or the use of more than one route subject to the provisions of this license, or the use of new route shall require the approval of the Director. In addition, for special events requiring the use of ten (10) or more buses, the Licensee shall route all such buses onto the internal roadways or within the boundaries of the Boston College Chestnut Hill and/or Law School Campus and require all such buses to remain within the campus boundaries whenever such buses are idling. Licensee shall also require that all such buses pick-up and discharge passengers within the Boston College Chestnut Hill and/or Law School Campus and not on Newton streets.

2. **Monthly Approval of Special Events(s) Permit:** On or before the 15th of the preceding month, but in any event no less than three weeks prior to any such event, Boston College, on behalf of Licensee, shall provide the Director with a list of temporary or one-time event(s) to be held during the next month which will require the use of more than two (2) vehicles, or more than three (3) round trips per hour or more than one route licensed herein or a route not currently licensed pursuant to this license. Such list shall include the number and type of vehicle(s), frequency of service, bus stop locations and route(s) to be used. Such list shall constitute a request for a monthly event permit, which shall be deemed approved unless denied in writing within 15 days of receipt of said list. Such monthly event permit shall constitute a one-time approval for each event as stated in the permit.

3. **Director Approval:** In a situation in which the Licensee cannot obtain approval through the monthly approval process as provided in paragraph 2 of this section, the Licensee, or Boston College on behalf of Licensee, may apply to the Director for approval of transportation to and from a special event. The Director shall be authorized to approve transportation to and from a special event upon no less than one week's prior written notice from Boston College on behalf of Licensee, provided, however, that the Director may authorize transportation for no more than two such special events each semester. For the purposes of this provision, a request for approval of transportation to and from a post season hockey or basketball tournament shall not be included in said two request limit. The request for approval of transportation shall contain the number and type of vehicle(s), frequency of service, bus stop locations and route(s) to be used. No later than one week following receipt of such request, the Director shall notify the applicant and the Chief of Police in writing of such approval along with any conditions that may apply including the valid dates of the approval.

C. **Transportation for Athletic or Entertainment Events:** Transportation for athletic or entertainment events held at Boston College facilities for which tickets are sold may be provided for ticket holders, students, faculty and staff, provided that on or about June 30 of each year of this license, Boston College, on behalf of the Licensee, shall provide the City Council with a schedule of such events, and shall also provide for each such event, in a format to be determined by the Council, the proposed routes, proposed number and type of vehicles, proposed frequency of service, and the proposed time and duration of operation, each of which must then be approved by the Council as a special addendum to this license, which addendum shall specify the terms of such events license. Once adopted, modifications to the terms of such addendum must be made in accordance with the applicable provisions of section 5.B of this License.

The approved transportation schedule for **Fall 2018 Varsity Football Games** and currently scheduled special events are stated in Appendix A, attached hereto and incorporated herein in fulfillment of the above condition for the period ending **June 19, 2018** with the College using school buses with a preference for non-diesel vehicles.

6. A copy of this license shall be issued to the driver of each vehicle and presented upon request to any City of Newton police officer and such other enforcement officials as may be designated by the City Council, provided that the Licensee shall be notified in writing prior to the designation of such other enforcement officials.

7. **TERM:** This license renewal is valid beginning **June 18, 2018** and shall expire on **June 19, 2019**. Subsequent one-year license renewals shall be granted in the discretion of the City Council pending satisfactory completion of the provisions of section 8 below.

8. **Periodic Review:**

(1) No later than **November 15, 2018** and **March 15, 2019** of the License Term, the Licensee shall meet with the City Council to review any concerns related to the service and shall make such adjustments as deemed necessary by the City Council. The review shall include the following items:

(a) Nothing in this license shall prevent the College from altering allowed service on Newton Streets around the Chestnut Hill Campus in favor of use of internal roads within the Chestnut Hill Campus during the license term, provided that any proposed left turns across traffic shall first be noticed to the Chief of Police.

(2) **Consolidation of Routes:** The Licensee shall cooperate with the appropriate committee(s) of the City Council in determining the appropriateness of consolidating routes and schedules in an effort to reduce and to eliminate excessive service. Consolidation of routes and reduced schedules shall be based on the level of ridership and such other factors as deemed relevant by the appropriate committee(s) of the City Council and College. If routes are to be consolidated or if the College and the appropriate committee(s) of the City Council determine that there is a reasonable basis to request schedule reductions, Boston College, on

behalf of the Licensee shall provide ridership data in the manner set forth in paragraph 8(2) of this license.

(3) The Licensee shall equip vehicles with two-way radios and shall maintain contact between a dispatcher and all vehicles while in operation on the routes described herein.

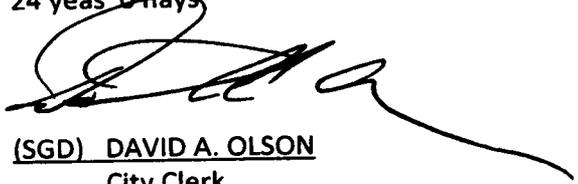

9. Violation of any of the above specific or general conditions shall be cause for revocation of this license in accordance with procedures to be established by the City Council.

10. Boston Coach Corporation, Boston College and the officials, trustees, agents, servants and employees of each shall hold harmless and defend the City of Newton from and against all claims, damages, demands and actions of every kind arising out of the exercise of this license.

11. The provisions of this license are severable. If any of the provisions of this license are held invalid by a court of competent jurisdiction, the remaining provisions of this license shall not be affected by such invalidity and shall remain in full force and effect, provided that upon such a finding or invalidity the City shall have the right to initiate proceedings to revise the remaining provisions of the license in a manner not inconsistent with any such finding of invalidity.

12. The Chief of Police shall be charged with the enforcement of the provisions of this license.

Important Information for Vehicle Owners

Every person operating a motor vehicle shall have the Certificate of Registration for the motor vehicle and for the trailer, if any, and his/her license to operate, upon his/her person or in the vehicle, in some easily accessible place.

By law, you must report any change of address to the RMV within 30 days in writing. Address changes can be made on the RMV website: www.massrmv.com or by mail to: RMV, P.O. Box 55889, Boston, MA 02205-5889. Once you have reported the address change to the RMV, please write corrected address in box provided above.

Return the registration plates to the RMV immediately if:

- The vehicle has been sold or junked and the registration is not going to be transferred to another vehicle. Keep a copy of the *Bill of Sale, Title, and completed Reassignment of Title* for your records to document the transfer.
- You move to another state and you register the vehicle in that state.
- The insurance policy is not renewed or is cancelled and there is no plan to obtain a new policy.

Transferring Your Plates: Massachusetts law (M.G.L. Chapter 90, Section 2) allows you to transfer valid registration plates from this vehicle to a newly acquired new or used motor vehicle or trailer while you obtain insurance and a new registration. All of the following must be met: 1. You are at least 18 years of age and you own the motor vehicle or trailer identified on this *Registration Certificate*; 2. You transfer ownership of this vehicle to another person or permanently lose possession of it (such as through repossession, etc.); 3. The newly acquired vehicle is of the same vehicle type (passenger vehicle to passenger vehicle, trailer to trailer, etc.); the same registration type (passenger to passenger, commercial to commercial); and has the same number of wheels; and, 4. The seller and buyer properly complete the Assignment of the Certificate of Title (for the newly acquired "used" vehicle) or Certificate of Origin (if a "new" vehicle). If all of the above are met, you may operate the newly acquired vehicle with the transferred plates up to 5:00 pm of the 7th calendar day following the date of transfer (or loss of possession). The day of transfer or loss is day #1. During those 7 days, you must carry the *Bill of Sale* (or the dealer's *Purchase Contract*) for the newly acquired vehicle and this *Registration Certificate* when operating the vehicle. See *FAQs About the Seven-Day Registration Transfer Law* on the RMV's website at www.massrmv.com.

No Insurance Card Required: Massachusetts's law does not require an insurance card. The law, M.G.L. Chapter 90, Section 34A and Chapter 175, Section 113A requires the vehicle's owner to maintain a compulsory motor vehicle liability insurance policy or bond for bodily injury coverage and property damage insurance. If an insurer is identified on the face of this *Registration Certificate*, it is required by law to electronically notify the RMV (Registry of Motor Vehicles) if coverage lapses. The vehicle owner is then notified by the RMV to obtain new insurance within 10 days or the registration will be revoked. Bonds are filed with the State Treasurer's office.

Important Information for Vehicle Owners

Every person operating a motor vehicle shall have the Certificate of Registration for the motor vehicle and for the trailer, if any, and his/her license to operate, upon his/her person or in the vehicle, in some easily accessible place.

By law, you must report any change of address to the RMV within 30 days in writing. Address changes can be made on the RMV website: www.massrmv.com or by mail to: RMV, P.O. Box 55889, Boston, MA 02205-5889. Once you have reported the address change to the RMV, please write corrected address in box provided above.

Return the registration plates to the RMV immediately if:

- The vehicle has been sold or junked and the registration is not going to be transferred to another vehicle. Keep a copy of the *Bill of Sale, Title, and completed Reassignment of Title* for your records to document the transfer.
- You move to another state and you register the vehicle in that state.
- The insurance policy is not renewed or is cancelled and there is no plan to obtain a new policy.

Transferring Your Plates: Massachusetts law (M.G.L. Chapter 90, Section 2) allows you to transfer valid registration plates from this vehicle to a newly acquired new or used motor vehicle or trailer while you obtain insurance and a new registration. All of the following must be met: 1. You are at least 18 years of age and you own the motor vehicle or trailer identified on this *Registration Certificate*; 2. You transfer ownership of this vehicle to another person or permanently lose possession of it (such as through repossession, etc.); 3. The newly acquired vehicle is of the same vehicle type (passenger vehicle to passenger vehicle, trailer to trailer, etc.); the same registration type (passenger to passenger, commercial to commercial); and has the same number of wheels; and, 4. The seller and buyer properly complete the Assignment of the Certificate of Title (for the newly acquired "used" vehicle) or Certificate of Origin (if a "new" vehicle). If all of the above are met, you may operate the newly acquired vehicle with the transferred plates up to 5:00 pm of the 7th calendar day following the date of transfer (or loss of possession). The day of transfer or loss is day #1. During those 7 days, you must carry the *Bill of Sale* (or the *Dealer's Purchase Contract*) for the newly acquired vehicle and this *Registration Certificate* when operating the vehicle. See *FAQs About the Seven-Day Registration Transfer Law* on the RMV's website at www.massrmv.com.

No Insurance Card Required: Massachusetts's law does not require an insurance card. The law, M.G.L. Chapter 90, Section 34A and Chapter 175, Section 113A requires the vehicle's owner to maintain a compulsory motor vehicle liability insurance policy or bond for bodily injury coverage and property damage insurance. If an insurer is identified on the face of this *Registration Certificate*, it is required by law to electronically notify the RMV (Registry of Motor Vehicles) if coverage lapses. The vehicle owner is then notified by the RMV to obtain new insurance within 10 days or the registration will be revoked. Bonds are filed with the State Treasurer's office.

MEMORANDUM

RE: **#136-19 Short-term rental ordinance with fees**
DIRECTOR OF PLANNING proposing amendments to Chapter 20 and 17 of the Revised Ordinances of the City of Newton to create a short-term rental ordinance with fees that would require registration of short-term rentals with the City's Inspectional Services Department and fire inspections to protect public health and safety.

MEETING: June 5, 2019

CC: John Lojek, Commissioner of Inspectional Services
Alissa O. Giuliani, City Solicitor
Marie Lawlor and Jonah Temple, Law Department
Jonathan Yeo, Chief Operating Officer

A short-term rental is where an individual makes available a room or their entire unit/home for short duration stays to tourists or visitors. While the use has existed for many years, it has recently become much more common as online listing services have simplified the process of connecting people with rooms to rent to travelers looking for a place to stay. The growing popularity of short-term rentals has led to a range of concerns including quality of life impacts associated with a quasi-commercial use in primarily residential neighborhoods to the loss of units that might otherwise be available for full time residents, thus exacerbating the regional housing crisis. At the same time, short-term rental platforms have enabled greater individual entrepreneurial activity, creating entirely new job categories and supplemental income streams. Attached and described below are ordinance amendments intended to address the issues associated with short-term rentals in Newton based in the state law passed this past winter.

The best estimate staff is able to produce at this time is that there are approximately 150 short term rentals in Newton across all of the major online platforms, representing .6% of total housing units. Approximately half of these listings are for a room in a person's house. The more problematic listings have been for entire houses where there is no resident and the home is only used as a short-term rental and often rented out for parties or events. While there have only been a few of these problem properties, their impacts have been large on the neighborhoods where they exist.

State Law

The Short Term Rental Law, MGL 23A (attached), recently passed by the State provides an overall framework for local regulation while also enabling collection of lodging taxes from short-term rentals. The State Short-Term Rental law requires that short-term rental operators register with the state and allows the State to collect lodging taxes from them. As Newton has already adopted a local lodging tax, the incorporation of short-term rentals is automatic and those local taxes, collected on the City's behalf by the State, will be remitted to Newton. Short-term rentals that operate for less than 15 days a year are exempt from the tax. Should the City Council decide to collect the additional Community Impact fees enabled by the State law, as described below, separate action would be required for each fee and administration of this fee, enforcement and collection, would rest with the City. The data generated through the State registration process will be available to the City. A copy of the State law is attached.

Proposed Ordinance

Planning and Law Department staff are proposing two ordinances relating to short-term rentals, one in the City's general ordinances and one as part of the Zoning Ordinance. The following is intended to highlight the key parts of the proposed general ordinance amendments.

The general City ordinances short-term rental ordinance covers issues of registration, inspection, enforcement, and operating standards. This ordinance includes:

1. Section 20-160. Definitions, most important of which is the definition of a short-term rental. This definition also appears in the Zoning Ordinance.
2. Section 20-161. This section establishes the requirement that short-term rentals register with the City and provide annual certification of continued compliance with all requirements. This section also establishes the requirement that a short-term rental may not operate where there is any building or zoning enforcement issue.
3. Section 20-162. This section lists the submittal requirements in order to receive a City registration. These include:
 - a. State certificate for the short-term rental – The State requires all short-term rentals to register and provides them with a certificate.
 - b. Smoke and Carbon Monoxide Certificate of Compliance – requires inspection from the Fire Department to ensure compliance and receive this certificate.
 - c. Filing fee of \$100.
 - d. Local contact information for someone able to respond in person within 2 hours should an issue arise.
 - e. Proof of residence
 - f. Permission of owner.
 - g. Notice to abutters
4. Section 20-163. Annual inspections conducted by the Fire Department are required for all full-time short-term rentals.
5. Section 20-164. This section establishes a broad standard protecting the neighborhood from general nuisances that might be created by a short-term rental.
6. Section 20-165. This section outlines the responsibilities and requirements placed on operators of short-term rentals. Some of the more significant requirements include:
 - a. Prohibition of commercial events. The most problematic short-term rentals in Newton have been those that have hosted events, parties and similar gatherings. The intent of this rule is to restrict the use of short-term rentals to providing accommodation rather than

- being a venue for events or parties. As the venue is rented, all such activities are de facto commercial in nature with compensation provided to the venue owner.
- b. Occupant registries. Just as is required for hotels and similar facilities, short-term rentals would be required to maintain an occupant registry.
 - c. House Rules. Operators are required to create a set of house rules intended to ensure occupants are aware of the requirements of the City ordinance and actions the occupant can take to ensure they are good neighbors within the community. The operator is required to ensure occupants are aware of these rules.
7. Section 20-166. This section details the process for enforcement of this ordinance including notice to remedy the violation and fines of \$300 a day that such violation persists.

Next Steps

As the taxation of short-term rentals under the State law is slated to begin July 1, staff is hopeful that these amendments can be adopted before that date. A public hearing date for the zoning amendments is set for June 10th.

The board, subject to a memorandum of understanding with the department of environmental protection, may direct the comptroller to transfer a specified amount not to exceed 10 per cent of the annual revenue deposited into the fund to the department for the department to contract with a regional planning agency, institution of higher education or non-profit corporation to evaluate and report

Any amounts remaining in the fund at the end of a fiscal year shall be carried forward into the following fiscal year and shall remain available for application and disbursement without further appropriation.

A municipality that is a member of the fund under this section may withdraw from the fund by a $\frac{2}{3}$ vote of its legislative body; provided, however, that a municipality shall not withdraw from the fund during the term of any financial assistance award from the fund to the municipality. A municipality that has withdrawn from the fund shall not have representation on the Cape Cod and Islands Water Protection Fund Management Board established under section 20. A municipality that has withdrawn from the fund and votes, by majority vote of its legislative body, to return to the fund shall not receive money from the fund until not less than 2 years from the date of its vote to return.

Each member of the management board appointed to fill a vacancy on the management board shall be appointed for the unexpired term of the vacant position. The members of the management board shall select a member to serve as chairperson and vice-chairperson for a term established by vote of the management board. The Cape Cod commission, in consultation with the Martha's Vineyard commission, shall provide administrative and technical support to the management board and may be compensated for its associated costs by vote of the management board. The management board's duties shall be limited to determining the method for subsidy allocation, including, but not limited to, an equitable distribution among participating municipalities consistent with revenue deposited from each municipality into the fund, and to ensuring that money from the Cape Cod and Islands Water Protection Fund is spent only for the purposes in section 19.

Section 3D. (a) A city or town that accepts section 3A may, by a separate vote and in the same manner of acceptance as set forth in section 3A, impose upon an operator a community impact fee of not more than 3 per cent of the total amount of rent for each transfer of occupancy of a professionally managed unit that is located within that city or town.

(b) A city or town that votes to impose a community impact fee under subsection (a) may, by a separate additional vote and in the same manner of acceptance as set forth in section 3A, also impose the community impact fee upon each transfer of occupancy of a short-term rental unit that is located within a two-family or three-family dwelling that includes the operator's primary residence.

(c) All community impact fees under this section shall be paid monthly by the operator to the municipality. A city or town shall dedicate not less than 35 per cent of the community impact fees collected under this section to affordable housing or local infrastructure projects.

Section 4. Except as provided in section 13, reimbursement for the excise imposed under this chapter shall be paid by the occupant of any such room to the operator and each operator shall add to the rent and collect from the occupant the full amount of the excise imposed by this chapter or an amount equal as nearly as possible or practical to the average equivalent thereof and such excise shall be a debt from the occupant to the operator when so added to the rent and shall be recoverable at law in the same manner as other debts.

Section 5. The amount of the excise collected by the operator from the occupant pursuant to this chapter shall be stated and charged separately from the rent and shown separately on any record of the excise at the time the transfer of occupancy is made or on any evidence of such transfer issued or used by the operator.

Section 6. A person shall not operate a bed and breakfast establishment, hotel, lodging house, short-term rental or motel unless a certificate of registration has been issued to the person in accordance with section 67 of chapter 62C.

Section 6A. No person subject to this chapter shall engage in an unlawful practice under section 4 of chapter 151B.

SECTION 7. Said chapter 64G is hereby further amended by striking out sections 7A and 7B, as so appearing, and inserting in place thereof the following 2 sections:-

A claim for abatement shall be filed not later than April 15 annually and shall cover the amount of the excise on accounts determined to be worthless in the prior calendar year.

An operator who recovers an excise on an account determined to be worthless and for which an application for abatement has been filed shall report and include the same in a monthly return at the time of recovery.

Section 7B. An operator who fails to pay to the commissioner money required to be paid by this chapter shall be personally and individually liable therefor to the commonwealth. As used in this section, the term “operator” shall include an officer or employee of a corporation or a member or employee of a partnership or a limited liability company who, as such officer, employee or member, is under a duty to pay the excises imposed by this chapter.

An operator who misrepresents to an intermediary that the transfer of occupancy of the operator’s property is exempt from the excise imposed by sections 3, 3A and 3C and the community impact fee imposed by section 3D shall be liable for any unpaid excise under said sections 3, 3A and 3C and the community impact fee imposed by said section 3D and shall be deemed to have committed an unfair trade practice under chapter 93A in making such a misrepresentation to the intermediary.

SECTION 8. Said chapter 64G is hereby further amended by striking out section 12, as so appearing, and inserting in place thereof the following 7 sections:-

Section 12. No excise shall be imposed under this chapter upon the transfer of occupancy of a room in a hotel, lodging house, short-term rental or motel if the occupant is an employee of the United States military traveling on official United States military orders that encompass the date of such occupancy. Each operator shall maintain such records as the commissioner shall require to substantiate exemptions claimed under this section.

Section 13. (a) An operator may elect to allow an intermediary to collect rent or facilitate the collection or payment of rent on its behalf through a written agreement on an accommodation subject to the excise under this chapter. An intermediary that enters into a written agreement with the operator to collect rent or facilitate the collection or payment of rent on behalf of the operator of an accommodation subject to the excise under this chapter shall: (i) apply for and obtain a certificate of registration from the commissioner in accordance with section 67 of chapter 62C on behalf of the operator; (ii)

assess, collect, report and remit the excise to the commissioner as described for operators in sections 3, 3A, 3B, 3C, 5, 7A, 7B and 12; (iii) assess, collect and remit the community impact fee to the municipality as described for operators in section 3D; (iv) maintain records of any excises collected that have been remitted to the commissioner and shall make these records available to the department upon request; (v) ensure that the operator is registered pursuant to said section 67 of said chapter 62C prior to permitting such operator to list or offer an accommodation for rent through the use of the intermediary; and (vi) notify the operator that the operator must comply with all applicable municipal, state and federal laws including, but not limited to, the collection and remittance of required excises. The certificate of registration obtained from the commissioner pursuant to this subsection shall identify and be in the name of the individual operator, not the intermediary.

(b) An intermediary collecting and remitting the excise on behalf of an operator shall provide notification within a reasonable time to the operator that the excise has been collected and remitted to the commissioner pursuant to section 3. The notification may be delivered in hand or by mail or conveyed by electronic message, mobile or smart phone application or another similar electronic process, digital media or communication portal. An operator shall not be responsible for collecting and remitting the excise on a transaction for which the operator has received notification from an intermediary that the excise has been collected and remitted to the commissioner on their behalf.

(c) The intermediary shall not be liable for faults in collecting or remitting the excise proximately caused by the intermediary's reasonable reliance on representations made to it by the operator about the nature of the property being rented, the duration of the occupancy or other similar misrepresentations made by the operator to the intermediary. The operator shall be liable for any unpaid excise resulting from any such misrepresentation. An intermediary shall not be liable for any over collection of the excise if the excise collected was remitted to the commissioner and the over collection resulted from the intermediary's reasonable reliance on the operator's representations about the

nature of the property being rented or the nature of the occupancy or whether such property was exempt from the excise. The operator shall be liable for monetary damages to the occupant resulting from any such misrepresentations.

Section 14. A city or town, by ordinance or by-law, may regulate operators registered pursuant to section 67 of chapter 62C and impose penalties for the violation of such an ordinance or by-law. A city or town, by ordinance or by-law, may:

(i) regulate the existence or location of operators under this section within the city or town, including regulating the class of operators and number of local licenses or permits issued to operators under this section and the number of days a person may operate and rent out an accommodation in a calendar year;

(ii) require the licensing or registration of operators within the city or town; provided, however, that a city or town may: (A) accept a certificate of registration issued to an operator in accordance with section 67 of chapter 62C in lieu of requiring an operator to obtain a local license or registration under this section; or (B) issue a provisional license or registration to permit an operator to offer accommodations on temporary or seasonal basis;

(iii) require operators to demonstrate that any properties or premises controlled, occupied, operated, managed or used as accommodations subject to the excise under this chapter are not subject to any outstanding building, electrical, plumbing, mechanical, fire, health, housing or zoning code enforcement, including any notices of violation, notices to cure, orders of abatement, cease and desist orders or correction notices;

(iv) require properties or premises controlled, occupied, operated, managed or used by operators as an accommodation subject to the excise under this chapter to undergo health and safety inspections; provided, however, that the cost of any inspection conducted under this section shall be charged to

and solely paid by the operator under this section; provided further, that after any initial health and safety inspection, the city or town may determine the frequency of any subsequent inspections;

(v) establish a civil penalty for violation of an ordinance or by-law enacted pursuant to this section; provided, however, that a city or town that suspends or terminates an operator's right to operate an accommodation for a violation of any ordinance or bylaw shall notify the commissioner of revenue of the suspension or termination; and

(vi) establish a reasonable fee to cover the costs associated with the local administration and enforcement of regulating operators and accommodations.

Notwithstanding any ordinance or by-law adopted by a city or town pursuant to this section, an operator of a short-term rental shall post inside the short-term rental unit information regarding the location of any fire extinguishers, gas shut off valves, fire exits and fire alarms in the unit and building.

Nothing in this section shall preclude a city or town from publishing a public registry of all short-term rental accommodations located within that city or town offered for rent by operators who are registered in accordance with section 67 of chapter 62C. A city or town may determine what relevant information shall be listed, including where the accommodation is located.

Section 15. Nothing in this chapter shall confer a right to lease, sublease or otherwise offer a residential unit as a short-term rental where such use is prohibited by a homeowner's association agreement or requirements, a rental agreement or any other restriction, covenant, requirement or enforceable agreement.

Section 16. For residential units subject to rent control provisions, operators of short-term rentals shall charge not more than the prorated maximum amount allowed.

Section 17. The commissioner shall annually publish a report on the economic activity of short-term rentals in the commonwealth rented for occupancy through a hosting platform or intermediary. The commissioner may require a hosting platform, intermediary or operator of a short-term rental to submit to the department of revenue, in a form approved by the commissioner, information necessary to compile the report including, but not limited to: (i) the aggregate rent paid by all occupants during the reporting period; (ii) the total amount of revenue collected from the excise on the transfer of occupancy of the short-term rentals; and (iii) the total amount of revenue collected from the local excise on the transfer of occupancy of the short-term rentals.

The department shall make available any data set used pursuant to this section to a regional planning agency, municipality or other public agency requesting such information; provided, however, that the department shall utilize the practices that are necessary to prevent the public disclosure of personal information regarding operators and occupants. The department shall annually publish local summary statistics on its website. Where non-criminal disposition of this section by civil fine has been provided for in sections 17-22 and 17-23 of these revised ordinances, as amended, pursuant to the authority granted by G.L. c. 40, section 21D, said violation may be enforced in the manner provided in such statute. The civil penalty for each such violation is set forth in section 17-23(c).
