<b>Problem:</b>	When the Tiger Parking Permit Area was made permanent by the Traffic Council, was it expected that the increased fines within the area that are called for in Chap. 19-9(8) were to remain, or was the expectation that they would be eliminated?
<b>Submitted by:</b>	Committee
<b>Chapter:</b>	19-9(8)
<b>Suggested Correction:</b>	
<b>Type of Correction:</b>	Substantive
<b>Assigned to:</b>	Gayle Smalley
<b>Research:</b>	<p>Traffic Council did not consider the fines since it falls under Board jurisdiction.</p> <p>If you follow the resident permit parking model, some of the Tiger permit language really should be in Chapter 19, not entirely in the TPR like it is now.</p> <p>19-200, 19-201 Description of resident parking permit program TPR-202 Locations of resident permits (by street)</p> <p>This is probably the correct way to treat the Tiger permits.</p> <p>19-203 Description of Tiger permit program TPR-204 Locations of Tiger permits (by street or lot)</p> <p>The theory would be that only the Board can create a parking permit program whereas the Traffic Council has the "site specific" jurisdiction to decide where permits should be assigned. One difference between resident and Tiger permits is that for resident permits, the Board/City Ordinance sets the fee of \$25/year. For Tiger permits, it's left to the school to cover admin costs.</p>
<b>Suggested Changes</b>	Docket the Tiger Permit fines and the locations with the Board of Aldermen for review.

Upon notice to the permit holder, the principal may revoke or suspend a Tiger Permit for good cause. For staff, good cause may include parking in the geographic area subject to the Tiger Parking Program other than at the location specified in the Tiger Permit issued to permit holder. For students, good cause may include school disciplinary actions. Tiger Permits issued to staff and students shall automatically be revoked in the event that the permit holder ceases to be a staff member or student.

(g) Subject to the approval of the chief of police, the principal shall arrange for the printing and issuance of the Tiger Permits, provided that each Tiger Permit shall 1) identify the street and geographic section to which it

applies; 2) include a permit number; 3) state the effective dates. The chief of police may establish rules governing the display of Tiger Permits.
