(Ord. No. Z-81, 2-22-11)

Sec. 19-30. Procedures for Traffic Council; effective date.

(a) In order to promote citizen participation, the traffic council shall endeavor to hold its meetings during evening hours when the board of aldermen or its committees do not have regularly scheduled meetings.

(b) A majority of the members of the traffic council shall constitute a quorum. A vote to adopt, amend or repeal a regulation or to establish or discontinue a field trial shall require agreement among no fewer than three of the members, but while a quorum is present, any other motion may be adopted by a simple majority vote.

(c) The traffic council shall make every effort to complete its review of each item within three (3) months from the date the matter first appears on its agenda.

(d) Whenever the traffic council receives a petition concerning a matter which was the subject of a traffic council decision within the prior twelve month period, the traffic council shall immediately deny the petition on the ground that no action is deemed necessary, unless the traffic council determines that there has been a material and compelling change of conditions which merits further analysis.

(e) In rendering a final decision on a petition, the traffic council may approve, deny, or amend the petition, provided the petition as amended is effective within the same or a reduced geographic area.

(f) Subject to the provisions of section 19-33(c), regulations adopted, amended or repealed by the traffic council pursuant to section 19-26(a) shall become effective at the expiration of twenty days or at any later date specified by the traffic council.

(g) By September 30 of each year, the traffic council shall submit to the board of aldermen an annual report on the work of the council, which shall include a statistical summary of the items on the council's agenda, and the disposition or status of each item. The report shall include the date of the filing of each petition and the date of its disposition. (Ord. No. Z-12, 12-03-07)

Sec. 19-31. Public notice of traffic council meetings.

(a) The clerk shall send or deliver written notice of the traffic council meeting to those persons who have signed petitions which are to be heard at such meeting and to each ward alderman for the affected ward(s).

(b) In addition to such notice by the clerk, the traffic council may request the clerk to give the same notice to other parties who, in its judgment, may be substantially affected by such petition. The traffic council may also utilize other means to enhance public notice of an upcoming meeting, including but not limited to publication and/or placement of free-standing "sandwich board" signs at or near the location which is the subject of the petition. (Ord. No. V-154, 12-1-97)

(c) The traffic council may adopt such other notification procedures as it may deem appropriate. (Ord. No. Z-12, 12-03-07)

DRAFT FOR DISCUSSION

Deleted language struck through:

Sec. 19-30. Procedures for Traffic Council; effective date.

(a) In order to promote citizen participation, the traffic council shall ~~endeavor to~~ hold its meetings during evening hours when the board of aldermen or its committees do not have regularly scheduled meetings.

(b) A majority of the members of the traffic council shall constitute a quorum. A vote to adopt, amend or repeal a regulation or to establish or discontinue a field trial shall require agreement among no fewer than three of the members, but while a quorum is present, any other motion may be adopted by a simple majority vote.

(c) The traffic council shall make every effort to complete its review of each item within three (3) months from the date the matter first appears on its agenda.

(d) Whenever the traffic council receives a petition concerning a matter which was the subject of a traffic council decision within the prior twelve month period, the traffic council shall immediately deny the petition on the ground that no action is deemed necessary, unless the traffic council determines that there has been a material and compelling change of conditions which merits further analysis.

(e) In rendering a final decision on a petition, the traffic council may approve, deny, or amend the petition, provided the petition as amended is effective within the same or a reduced geographic area.

(f) Subject to the provisions of section 19-33(c), regulations adopted, amended or repealed by the traffic council pursuant to section 19-26(a) shall become effective at the expiration of twenty days or at any later date specified by the traffic council.

(g) By September 30 of each year, the traffic council shall submit to the board of aldermen an annual report on the work of the council, which shall include a statistical summary of the items on the council's agenda, and the disposition or status of each item. RE: #86-12 ALD. CICCONE, requesting possible changes to City Ordinance 19-30(a), procedures for Traffic Council, to require all Traffic Council meetings be held in the evening.

DATE: May 9, 2012

CC: Robert Rooney, Chief Operating Officer

On April 22, 2012, the Public Safety and Transportation Committee considered docket #86-12 regarding when Traffic Council meetings may be scheduled during the day. The Committee requested that the Executive Office draft a policy addressing this issue. Suggested changes to the current ordinance are shown in bold italics below:

Sec. 19-30. Procedures for Traffic Council; effective date.

(a) In order to promote citizen participation, the traffic council shall endeavor to hold its meetings during evening hours when the board of aldermen or its committees do not have regularly scheduled meetings.

Daytime meetings may be scheduled to discuss and vote on items for which it is the consensus of the traffic council, that the items do not require citizen participation, or for which daytime meetings will facilitate citizen participation.

MEMORANDUM

DATE: May 7, 2012
TO: Public Safety and Transportation Committee of the Board of Aldermen
FROM: Candace Havens, Director of Planning and Development
David Koses, Transportation Planning Coordinator
SUBJECT: Restricting On-Street Parking Near Crosswalks to Improve Safety
CC: Mayor Setti D. Warren

On behalf of the Transportation Advisory Group, the Planning and Development Department requests an ordinance change which would allow the Commissioner of the Department of Public Works to restrict parking up to 10 feet away from crosswalks. Members of the Newton Police Department have recently temporarily restricted parking adjacent to crosswalks in two locations along Walnut Street: near Madison Street and near 100 Walnut Street, where a high daily volume of pedestrians has been observed.

In cases when a vehicle is parked directly next to where a crosswalk meets the sidewalk, pedestrian safety can be compromised. Cars in this position can interfere with sight lines, such that drivers may not be able to see the pedestrian entering the crosswalk, and pedestrians may not be able to see whether it is safe to cross. Restricting parking adjacent to crosswalks would also encourage pedestrians to use crosswalks, as this would maintain good sight lines even in an area with high demand for parking. A higher ratio of pedestrian crossings in the crosswalk produces a more predictable and safe street environment for all users. Encouraging pedestrian use of crosswalks was also one of the recommendations of the Transportation Advisory Group's Pedestrian Sub-Committee.

Re: Item # 78-12 Handicap Parking

Background

It has come to my attention that questions arose during recent Public Safety & Transportation Committee discussions on Item # 78-12 with regard to police authority to ticket handicap parking violations occurring on privately owned public access parking areas that are subject to §19-199.

Questions Presented

1. Do Newton police have the authority to cite handicap parking violations occurring on privately owned off-street parking areas that are subject to Newton Revised Ordinances §19-199?
2. Do Newton police need the property owner's permission in order to cite handicap parking violations occurring on privately owned off-street parking areas that are subject to §19-199?

Short Answers

1. Yes. That authority stems from two chapters of the general laws. The first is G.L. c. 40, §21, clauses (23) and (24), which enable municipalities to enact ordinances or by-laws regulating handicap spaces on public access private off-street parking areas. The second is G.L. c. 90 §20A, which authorizes police to cite violations of municipal parking ordinances or regulations
2. No. Neither statute requires police to obtain permission of the property owner in order to cite such handicap parking violations.

Discussion

G.L. c. 40, clause (23) enables municipalities to enact ordinances or by-laws requiring persons who own or control "public and private off-street parking areas" to provide handicap spaces. Paragraph (a) of that clause defines such private off-street parking areas as "... improved or enclosed property used as off-street parking areas for businesses, shopping malls, theaters, auditoriums, sporting or recreational facilities, cultural centers, residential dwellings, or for any other place where the public has a right of access as invitees or licensees..." . Clause (23) also provides a formula for calculating the number of

handicap spaces required,¹ prohibits blocking curb cuts, and contains other requirements pertaining to placement, width and cross-hatching of such spaces.

G.L. c. 40, clause (24) specifically enables municipalities to prohibit or regulate parking in handicap spaces designated "... as authorized by clause (23) ..." and further provides that the penalty for unauthorized parking in such spaces "... shall be ... not less than \$100.00 nor more than \$300.00." Thus, clauses (23) and (24) together provide authority for municipalities, by ordinance or by-law, to both require that handicap spaces be provided on privately owned public access off-street parking areas and to penalize unauthorized vehicles parking in those handicap spaces.

Authorization for police to ticket violations of duly enacted municipal parking ordinances or by-laws is found in G.L. c. 90 §20A, which provides that "... it shall be the duty of any police officer ... who takes cognizance of a violation of any provision of any rule, regulation, order, ordinance or by-law regulating the parking of motor vehicles established by any city or town, forthwith to give to the offender a notice to appear ..."

Nothing in G.L. c. 40 §21 clauses (23) and (24) or G.L. c. 90 §20A requires police to obtain permission of the property owner in order to cite violations of handicap parking ordinances enacted by a municipality for private off-street parking areas.

As authorized by G.L. c. 40, Newton regulates handicap spaces by ordinance. Handicap spaces on public ways are regulated by §19-178,² while such spaces on privately owned public access parking areas are regulated by §19-199. The latter section mirrors the requirements of Clauses (23) and (24), including establishment of a penalty for unauthorized parking in a handicap space on privately owned public access parking areas.³

A separate section of the Chapter 19 provides the overall schedule of fines for all parking violations. That section is §19-9. Currently, the §19-9 fine of \$100 for illegally parking in a handicap space refers to violations occurring on public ways (§19-178), but does not refer to such violations occurring on private public access lots (§19-199). The only reference to §19-199 is limited to illegally blocking curb cuts designated for handicap access. In order to make clear that the penalty also applies to illegally parking in a handicap space on private public access parking areas, the specific language and reference to §19-199 should be added to §19-9 as proposed by this item.

Cc: Maureen Lemieux, Chief Financial Officer
Matthew Cummings, Chief of Police
Candace Havens, Director of Planning and Development

¹ Handicap spaces are not required in lots containing fewer than fifteen spaces in total.

² G.L. c. 40 §22A authorizes municipalities to regulate handicap spaces in public ways.

³ Item #78-12 also proposes to increase the penalty amount to at least the \$100 minimum and to update other language pertaining to width and cross hatching in order to be consistent with the updated requirements of G.L. c. 40 clauses (23 and (24) as amended.
