

Memorandum

To: Board of Aldermen
From: Brian Yates, Chair of Zoning and Planning Committee
Re: Meeting Cancellation
Date: March 21, 2008

The Zoning and Planning Committee meeting for next Monday, March 24, 2008 is cancelled to give more time to get the items actively pending before the Committee ready. My tentative schedule for the pending items:

First meeting in April - Demolition Delay, Wifi

Second meeting in April - DeMinimus

First meeting in May - 50% Rule

Second meeting in May - Temporary Signs

Because the three-foot grade change ordinance is relevant to a pending proposal, it seems reasonable to discuss it and revise it for rehearing.

At this point, we will need to take up the 2009 city budget and CIP.
