

Memorandum

To: Members Zoning & Planning Committee

From: Brian Yates, Chairman

Re: February 26, 2007 Meeting Cancellation

Date: February 23, 2007

I am cancelling next Monday's Zoning & Planning Committee meeting because the Historical Commission is still working on the demolition delay item (the only item tentatively scheduled for discussion), after which it will require further review by the Law Department.

The Planning Department expects the item to be ready for the next Committee meeting on March 12.
