RE: Cancellation of March 27 Zoning and Planning Committee Meeting

---

Although the committee has many items before it, the most pressing are the two proposed zoning amendments, one petition to amend 30-6 relative to Angino Farm and the other to amend Table 1 of section 30-15 by the addition of a new footnote relative to the Kessler Development petitions.

However, since GL chapter 40A requires a report with recommendations from the Planning Board — or twenty-one days to have elapsed without submittal of a such a report — prior to any action being taken by the Board of Aldermen and because it is my understanding the Planning Board will not reconvene until April 3, I am canceling the regularly scheduled meeting of March 27. The committee will take up both items on April 10.
