

NEWTON CITIZEN ADVISORY GROUP
MEETING AGENDA

July 21, 2008

7:00 pm – 8:45 pm

Room 209, City Hall

- (1) Briefing and Q&A by Phil Herr on Newton's long-term comprehensive planning.
- (2) Oral updates by each committee chair on work-to-date and work-in-process, including initial thoughts on benchmarking. (We would like to suggest that committee chairs submit in writing a one page, or less, update before our meeting. These updates can then be posted on our website, along with our previously posted work plans.)
- (3) Discussion of the order and timing of roll-out of preliminary committee reports for public inspection and discussion.
- (4) Discussion of form and content of such reports.
- (5) Review of our "Public Input" strategy: Where do we want to go after the July 30th Public Forum? What are individual committees thinking about the small public input sessions?
- (6) Scheduling of our next CAG plenary meeting, and tentative agenda items (with suggestions from the committee of the whole).
