Health & Human Services

Mission Statement

To protect, promote, and sustain the health, harmony, and well-being of all Newton residents in a culturally-sensitive, customer-friendly manner with a focus on prevention.

Fiscal Year 2016 Accomplishments

Environmental Health - Restaurant grading system successfully launched and full round completed.

Public Health - Ensured knowledgeable citizens that participate in new and innovative programming.

Emergency Preparedness - Residents connected and informed in the event of an emergency.

Human Services - Conducted outreach to citizens for services such as fuel assistance, housing, referrals to food pantries, utility assistance, referrals to mental health and substance abuse services.

Licensing- Streamlined and efficient licensing system.

Weights and Measures- Accurate and efficient inspection process.

School Health - Maintained healthy student population, who were connected to resources to thrive and learn without barriers

Fiscal Year 2017 Desired Outcomes

Social Services - Provide effective referrals for residents in need; identify trends and analyze data to identify gaps in service. **Environmental Health** - Increase efficiency in permitting process; demonstrate Newton's regional leadership on food grading program through development of community toolkit.

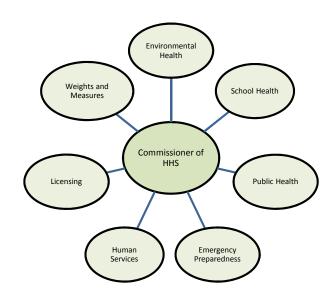

Youth Services - Expand successful Mayor's Summer Internship program; increase job-readiness for at-risk population.

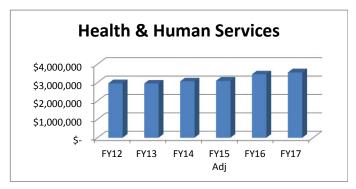

Weights and Measures - Accurate and efficient inspections.

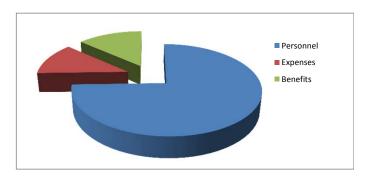

School Health - Provide school-based vaccination programs to promote a healthy student population.

Public Health - Promote community awareness of opioid epidemic and promote prevention and education.

Emergency Preparedness - Conduct shelter drills and test faith-based approach to information disemmination.
