Public Buildings

Mission Statement

To plan, construct, renovate, repair and maintain all public buildings; provide safe, secure, accessible and sustainable facilities in approximately 2.7 million square feet of space in 78 municipal and school buildings.

Fiscal Year 2014 Major Accomplishments

Project Management – All of capital projects scheduled to be completed in FY14 were on time and on budget, including F.A.Day addition, Carr School renovation, and modular classrooms.

Capital Planning — Citywide CIP Project Status Reports has been created with quarterly updates posted on the City website by the 1st of February, May, August and Nov.

Operations & Maintenance – Improved customer response time and reduced backlog by more than 30%. Conducted, and will continue to conduct, annual walk-thrus for 78 buildings.

Energy Efficiency & Sustainability – Completed a wide variety of energy retrofits at buildings such as the Main Library, Cabot, Lincoln-Eliot, and Burr Schools reducing energy consumption by as much as 35% in each building. Completed solar panel installations at NNHS, Memorial Spaulding, Brown, and Countryside Schools. This saves the city more than \$40,000/year in electricty costs.

Fiscal Year 2015 Desired Outcomes

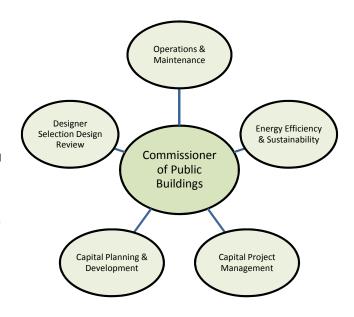

Project Management – Achieve 100% on time and on budget for all capital projects, such as Angier, Cabot, Zervas, Fire Station #10, and the Fire Station #3 and Fire Headquarters Projects.

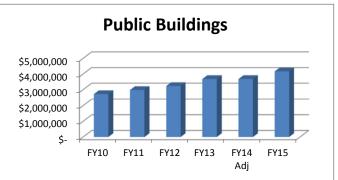

Capital Planning – To maintain transparency, continue to refine and provide monthly and quarterly project update reports.

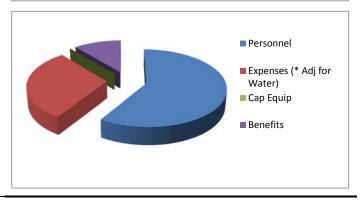

Operations & Maintenance – Expanded preventive maintenance program to reduce reactive maintenance requests.

Energy Efficiency & Sustainability – Complete energy retrofits of at least 30 buildings and reduce overall building energy consumption by 10% when compared to FY14.

Training and Staff Development – Train all new and existing employees on all facets of city processes including, legal, procurement, ordinance, and legislative. Cross train all staff members so that everyone is capable of performing a wide variety of critical departmental functions.
