

Our Speakers

Kevin Hill, MD

Kevin Hill, M.D., M.H.S, is an addiction psychiatrist, Director of the Division of Addiction Psychiatry at Beth Israel Deaconess Medical Center and an Assistant Professor of Psychiatry at Harvard Medical School. He is committed to bridging the gap between science and public perception about marijuana. He is the author of *Marijuana: The Unbiased Truth about the World's Most Popular Weed*.

Nicole Danforth, MD

Nicole Danforth, M.D., is the Director of Outpatient Programs in the Division of Child and Adolescent Psychiatry at Newton-Wellesley Hospital. She completed her fellowship at Massachusetts General Hospital in Child and Adolescent Psychiatry and now treats young adults with anxiety, mood, and ADHD related disorders.

Also available to answer questions

Elizabeth Booma, MD

Elizabeth Booma, M.D., is the Interim Chief of the Division of Child and Adolescent Psychiatry at Newton-Wellesley Hospital as well as the Director of the Child and Adolescent Consultation Liaison Service. She is a clinical instructor at Harvard Medical school, in addition to working to increase access to child psychiatry services by expanding phone consultations and developing a new urgent outpatient evaluation program.

Agenda

Welcome by Mayor Ruthanne Fuller

What is the law in Massachusetts and what will the marijuana industry be in Newton?

Dr. Kevin Hill

Adults and Marijuana use. What factors do adults need to consider when they are deciding whether or not to use marijuana?

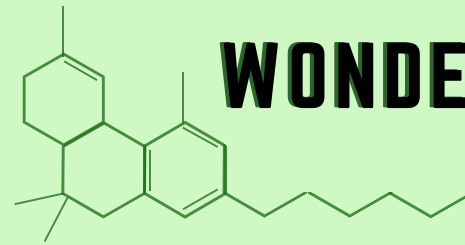

Dr. Nicole Danforth

Teenagers and Marijuana use. What are the risks? And how to talk with youth to prevent marijuana use.

Audience Q&A

Dr. Elizabeth Booma will join Dr. Kevin Hill and Dr. Nicole Danforth to answer questions from the audience.
