

**Dental Benefit Summary**

**Group Number:** 00438073

**About Your Benefits:**

Taking care of your teeth can be expensive. That’s why the right dental insurance is so important — it not only pays for preventive care that can keep you and your family healthy, but it also helps pay for more extensive, costly and often unexpected expenses — such as fillings, crowns and root canals. Plus, you save money and have the assurance that you are getting the right care when you use one of our contracted dentists. Guardian has been providing outstanding dental plans to millions of Americans for more than 50 years. When you enroll with Guardian, you have access to one of the nation’s largest dental networks offering significant discounts so you know there’s always high-quality, affordable dental care close by. From preventive checkups and cleanings, to comprehensive oral care treatments, we have you covered.

**Option 1 or 2:** With your **PPO** plan, you can visit any dentist; but you pay less out-of-pocket when you choose a PPO dentist. Out-of-network benefits are based on a percentile of the prevailing fee data for the dentist's zip code.

# Dental Maximum Rollover<sup>®</sup>

## Save Your Unused Claims Dollars For When You Need Them Most

Guardian will roll over a portion of your unused annual maximum into your personal Maximum Rollover Account (MRA). If you reach your Plan Annual Maximum in future years, you can use money from your MRA. To qualify for an MRA, you must have a paid claim (not just a visit) and must not have exceeded the paid claims threshold during the benefit year. Your MRA may not exceed the MRA limit. You can view your annual MRA statement detailing your account and those of your dependents on [www.GuardianAnytime.com](http://www.GuardianAnytime.com).

*Please note that actual maximum limitations and thresholds vary by plan. Your plan may vary from the one used below as an example to illustrate how the Maximum Rollover functions.*

Plan Annual Maximum*	Threshold	Maximum Rollover Amount	In-Network Only Rollover Amount	Maximum Rollover Account Limit
\$1500	\$700	\$350	\$500	\$1250
Maximum claims reimbursement	Claims amount that determines rollover eligibility	Additional dollars added to Plan Annual Maximum for future years	Additional dollars added to Plan Annual Maximum for future years if only in-network providers were used during the benefit year	Plan Annual Maximum plus Maximum Rollover cannot exceed \$2,750 in total

\* If a plan has a different annual maximum for PPO benefits vs. non-PPO benefits, (\$1500 PPO/\$1000 non-PPO for example) the non-PPO maximum determines the Maximum Rollover plan.

### Here's how the benefits work:

**YEAR ONE:** Jane starts with a \$1,500 Plan Annual Maximum. She submits \$150 in dental claims. Since she did not reach the \$700 Threshold, she receives a \$350 rollover that will be applied to Year Two.

**YEAR TWO:** Jane now has an increased Plan Annual Maximum of \$1,850. This year, she submits \$50 in claims and receives an additional \$350 rollover added to her Plan Annual Maximum.

**YEAR THREE:** Jane now has an increased Plan Annual Maximum of \$2,200. This year, she submits \$2,100 in claims. All claims are paid due to the amount accumulated in her Maximum Rollover Account.

**YEAR FOUR:** Jane's Plan Annual Maximum is \$1,600 (\$1,500 Plan Annual Maximum + \$100 remaining in her Maximum Rollover Account).

For Overview of your Dental Benefits, please see About Your Benefit Section of this Enrollment Booklet.

### NOTES:

You and your insured dependents maintain separate MRAs based on your own claim activity. Each MRA may not exceed the MRA limit.

Cases on either a calendar year or policy year accumulation basis qualify for the Maximum Rollover feature. For calendar year cases with an effective date in October, November or December, the Maximum Rollover feature starts as of the first full benefit year. For example, if a plan starts in November of 2013, the claim activity in 2014 will be used and applied to MRAs for use in 2015.

Under either benefit year set up (calendar year or policy year), Maximum Rollover for new entrants joining with 3 months or less remaining in the benefit year, will not begin until the start of the next full benefit year. Maximum Rollover is deferred for members who have coverage of Major services deferred. For these members, Maximum Rollover starts when coverage of Major services starts, or the start of the next benefit year if 3 months or less remain until the next benefit year. (Actual eligibility timeframe may vary. See your Plan Details for the most accurate information.)

Guardian's Dental Insurance is underwritten and issued by The Guardian Life Insurance Company of America or its subsidiaries, New York, NY. Products are not available in all states. Policy limitations and exclusions apply. Optional riders and/or features may incur additional costs. Plan documents are the final arbiter of coverage.
