

RADIO FREQUENCY INTERFERENCE COMPLAINT FORM

PLEASE SUBMIT YOUR COMPLAINT TO:

Remediation Fund Administrator
City of Newton Law Department
City Hall
1000 Commonwealth Avenue
Newton, MA 02459
or email to: RFAdministrator@newtonma.gov

Date: _____

Name: _____

Address: _____

Newton, MA _____

Telephone: _____

Cellphone: _____

Email: _____

Describe your interference issues (devices affected, nature of the interference such as static, music or talk coming over the phone, when the interference began, any steps taken to remove the interference):

The Radio Station(s)/Towers involved: _____

Have you contacted the radio stations' Help Desk? Yes No

Website: www.oakhillparktowers.com

Email: RFIHELP@gmail.com

Telephone: Jeff Rosenberg at (617) 299-0734

The radio stations no longer provide troubleshooting at residences or supply parts that may remove the radio frequency interference. The City's Remediation Fund consultant now performs

on-site troubleshooting and the installation of certain parts. However, if you also register your complaint with the radio stations' Help Desk website, the complaint will be logged in by the radio stations and separately reported to the City.

The Following Information May be Helpful to the Remediation Fund's consultant:

Your Cable Provider: _____

Your Internet Access Provider: _____

Your Telephone Service Provider: _____

Have you contacted the electric company (NSTAR) or a cable, telephone and/or Internet service provider regarding this RFI problem?

___ Yes

Which Service Providers? _____

When contacted: _____
