

Snow Updates

Over a Foot and Counting

We've got ourselves a serious snowfall out there. Our crews have been at work overnight clearing snow and will continue to work all day today and through tonight as well. If you see a plow go by, give them a thumbs up.

One Day Delay on Trash and Recycling

Due to the heavy snow, there will be a one day delay in the trash and recycling schedule.

Please Help Us Dig Out Fire Hydrants and Assist Neighbors

This is a deep, heavy snow. We are asking residents to help us shovel out fire hydrants.

Please consider shoveling the sidewalks of neighbors who might need some help.

Parking Ban To Be Lifted at 1 p.m.

A snow emergency went into effect in the City of Newton beginning at midnight last night. During a ban, no cars are allowed to be parked on the street or municipal parking lots or they are subject to towing.

The parking ban will be lifted at 1 p.m. Check the city website at www.newtonma.gov for information.

Library, City Hall, Senior Center, and Monday Evening Activities

The Library and City Hall will open at 1 p.m. If opening times need to change based on updated forecasts, information will be posted online at www.newtonma.gov.

The Senior Center will be closed on Monday, March 4.

Newton Public Schools are closed on Monday. However, activities on Monday night in school buildings will go on as planned.

Other Information

- Any snow-related issues may be reported to the City through the online 311 reporting system at www.newtonma.gov. As always, call 911 in case of emergency.
- If you lose power, call Eversource at 1-800-592-2000.

Thank you, and stay safe. Again, many thanks to our snow clearing, emergency response, and customer service employees who are helping us through the storm.

Warmly,

Ruthanne
