Focus Group Dates for Create Newton Arts & Culture Planning Process

Thank you for your interest in the City of Newton's Comprehensive Arts and Cultural Plan, known as **Create Newton**. The plan will identify the city's arts and cultural assets – from our buildings, non-profits, and creative individuals, to the events and festivals we host, to the local traditions and initiatives in our villages and neighborhoods.

The project is being led by the Community Design for Arts & Culture (CDAC) Committee along with the hired consultants, CivicMoxie. **CivicMoxie is hosting three separate focus groups in July** to provide a brief overview of the project and facilitate a discussion around a series of questions pertaining to the arts and culture of the city.

We hope you will **participate in a focus group pertaining to your interests**. This is an extraordinary chance for your voice to be heard and to ensure that Newton continues to strengthen, expand, and sustain arts and culture as an integral part of our community in the coming years.
