

## Mayor's Update

*(With Chief Information Officer Joe Mulvey and Election Commissioner Margi Butler watching election results come in.)*

The polls closed at 8:00 p.m. and these are early results. The outcomes from races with write-in candidates (Ward 5 Ward Councilor seat and for the Citywide School Committee seat from Ward 2) requires a manual count and will not be available until tomorrow. However, it's fairly certain the winners in these races are apparent

Thank you to all the poll workers who worked today, to City Clerk David Olson and the election staff, and to Chief Information Officer Joe Mulvey and the IT Department for getting the election results

posted on [newtonma.gov](http://newtonma.gov).
