

***Brigham Community House
20 Hartford Street
Newton Highlands, Massachusetts***

The Brigham Community House Inc. (BCH) is a non-profit community based organization dedicated to providing a relaxed, socially stimulating, safe and fun place for local teenagers to spend their time. Our co-educational staff consists of personable and very experienced youth workers who understand teenagers and enjoy interacting with them. Our building is located at 20 Hartford Street in Newton Highlands. This is the former Newton Highlands Branch Library which has been leased to the Brigham Community House, Inc., by the city of Newton.

Currently, our program is open free of charge to all Newton teenagers every Wednesday, Thursday, Friday, and Saturday evenings. The hours are from 6 PM to 11 PM. Our activities include a pool table, ping-pong table, 6 internet access computers, a 72 inch cable access television with VCR and DVD players, card games, board-games and other activities. A weekly basketball game is also sponsored at the nearby Hyde Community Center.

The Brigham Community House is available for rental by community groups or individuals sponsoring youth-oriented activities or activities benefiting other aspects of Newton life. Currently BCH sponsors a "DROP IN COMPUTER HELP" session every Friday for Newton Senior Citizens from 9am to 4pm. This fall, we have a Tuesday afternoon sewing group for teens.

The BCH is constantly looking for volunteers to help with our programs and their administration. Our board is seeking to expand its membership with individuals interested in helping teenagers who have time and skill in building non-profit organizations. Financial grants or gifts in kind are gratefully accepted and are fully tax-deductible.

For further information please contact our board chairperson, Dr. Robert Staulo @617-527-2887 or Alderman Christine Samuelson @617-244-8789 .
