

Newtonville Area Council Meeting
Newton Senior Center
October 20th, 2018

Members Present:

Peter Bruce, Dana D'Agostino, Maura Harrington, Tarik Lucas, & Susan Reisler

11:30am

Peter introduced a draft letter to accompany a hard copy version of the Envisioning Washington Street Survey Analysis. The hard copies will be distributed to each member of the City Council, Mayor Fuller, Dana Hanson, Barney Heath, James Freas, and Lily Canan Reynolds.

11:35am

The NAC began a copy-editing session of the draft letter.

12:45pm

The NAC voted 5-0 to approve the letter with the edits.

12:50pm

Maura talked about our presence at the Hello Washington Street event on October 24th at Newton North High School. It was agreed that Maura should introduce the NAC survey analysis near the beginning of the meeting. She will coordinate this with Lily Canan Reynolds.

1:00pm

There was further discussion regarding the status of the Beautiful Newtonville/NAC mailing list.

1:20pm

The NAC voted 5-0 that Maura would purchase a MailChimp account, create a new NAC mailing list, import the roughly 1,100 email addresses that we received from the Envisioning Washington Street Survey, and ask Tom Kraus that he send the opt out letter to the BN/NAC email list, and that Tom refrain from using that mailing list for official Newtonville Area Council business.

1:30pm

There was discussion that we hold a special meeting on November 5th, 2018 to talk about planning a public forum to discuss the Survey Analysis.

1:33pm

Meeting adjourned.
