

Important Information

- Since 1983, The City of Newton has offered high quality summer day camps for kids. The popularity of those initial programs led to the creation of several other summer camps and clinics. One such program, founded in 2012, was called The Next Stop. This camp was designed to meet the needs of Newton's middle school population. It features weekly themes and trips for boys and girls entering grades 5, 6, 7 and 8.
- Each camper will receive a Next Stop camp T-shirt, which should be worn on each field trip day.
- Registration begins ONLINE at www.newtonma.myrec.com on the Wednesday after the Camp Fair, January 29th, for Newton residents and on March 1, 2019 for non-residents, and continues until the program is full.
- The camp calendar and other important information can be found online at www.newtonma.gov/parks.
- We accept payment in the form of cash, checks or credit cards (Visa or Mastercard only). For information about scholarships, please call 617-796-1500
