7:00 PM
Room 211

Item Scheduled for Discussion:

- #208-18** **Discussion regarding non-compliance with Stanton Ave Council Order**
COUNCILOR GENTILE requesting a discussion regarding non-compliance with Council Order #360-16, the Stanton Avenue water tower site, including rescinding the Council Order and reopening the reuse process to all interested parties.

Respectfully submitted,

Susan S. Albright, Chair

The location of this meeting is accessible and reasonable accommodations will be provided to persons with disabilities who require assistance. If you need a reasonable accommodation, please contact the city of Newton's ADA Coordinator, Jini Fairley, at least two business days in advance of the meeting: jfairley@newtonma.gov or (617) 796-1253. The city's TTY/TDD direct line is: 617-796-1089. For the Telecommunications Relay Service (TRS), please dial 711.

CITY OF NEWTON
IN CITY COUNCIL

April 3, 2017

That, pursuant to Section 2-7 of the Revised Ordinances of 2012, as amended, after a public hearing and upon recommendation of the Real Property Reuse Committee through its Chair Susan Albright, it is hereby

ORDERED:

That His Honor the Mayor be and is hereby authorized to sell the land commonly known as the Stanton Avenue Water Tower site, located behind 160 Stanton Avenue, containing approximately 16,900 square feet of land, identified as Section 43, Block 45, Lot 33, in Ward 4, in a Public Use zoned district, and,

The property shall be sold, subject to the minimum financial terms and conditions as voted by the Honorable City Council as set forth as follows:

TERMS OF SALE

That the minimum price for the sale of the property shall be set at \$500,000 less the costs to the purchaser of demolishing the existing water tower within 6 months of closing in accordance with the demolition specifications provided by the Department of Public Works, including any environmental remediation if needed. In addition the purchaser shall also provide the following benefits to the City as part of the purchase price: a) provide a temporary and permanent site(s) for the City's utility monitoring antenna(s) located on the existing water tower according to the needs and specifications of the Department of Public Works; b) create permanently deed restricted affordable housing units; and c) include, at a minimum, the additional public benefits set forth in the resolution section of this Council Order. The monetary purchase price shall also be reduced by any expenses the purchaser may incur in relocating the City's monitoring antenna(s).

FURTHER BE IT RESOLVED:

1. In recognition of the significant need for affordable housing options serving Newton's growing senior population that the property be sold for the purpose of creating permanently deed restricted affordable housing that will qualify for the SHI inventory and to the extent permitted by law and regulation include a local residence preference for Newton seniors.
2. That development of the site should incorporate design practices to minimize energy use and mitigate stormwater impacts.

3. That prior to the issuance of a Request for Proposals to dispose of the property, the property should be rezoned to an appropriate zone.
4. That the City should provide sufficient information to the purchaser regarding the existing site conditions including, but not limited to, land surveying, contamination, adequacy of water and sewer services, and traffic data that may help determine the need for additional infrastructure improvements and/or development costs provided that the gathering of such information can be performed in-house and within existing departmental budgets.
5. As part of the disposition agreement, require that the purchaser work with the surrounding neighborhood, abutting properties owners, the Ward 4 Councilors and the Director of Transportation and/or Planning Department staff as appropriate regarding the following issues: a) on-site and off-site traffic and parking issues; b) impact of any proposed structure(s) on the property including visual and/or shadows; and c) mitigation of construction related impacts.
