

Newton Community Preservation Program Grant Proposal

Newton Cultural Alliance – Nathaniel Allen Homestead

November 2018

November 16, 2018

Nathaniel Allen House
35 Webster Street
West Newton MA 02465

Summary of 2018 Changes to 2016 Plans

Building Exterior

The wooden arbor in front of the barn facing Webster Street will be restored to its original design.

House Interior

Program 9 removed to create legal headroom in Main Lobby.

Barn Interior

Barn floor lowered to be level for full Black Box Theatre space.

Green room in basement supplements the Black Box Theatre with separate entrance.

Mechanical loft created above Program 14 now designed as Lighting Production room for Theatre.

On the Newton CPC website, this summary is also included in a separate file with the proposal and all other attachments.
